MEMORANDUM

TO : Mr. Donnie Mims

FROM : Sheriff Derrick Cunningham 
Montgomery County Sheriff's Office

SUBJECT : Emergency Equipment Installation

I have been conversing with the County Commissioners regarding the installation of emergency equipment at our Fleet Maintenance Shop. Our emergency equipment installer and Captain Richerson have come up with flat rate pricing and I am hereby requesting the County Commission implement same. The price will be charged to the other entities as we have received numerous calls from other agencies requesting our assistance with emergency equipment. Since we are providing the pricing, I am requesting that you all allow us to utilize the same maintenance contract as our Fleet Maintenance Shop currently operates on when dealing with other agencies. Furthermore, we will bill the various agencies for the said services and payment will be made directly to our Finance Department. I feel this is a "win win" for the County Commission as a whole.

I look forward to hearing from you on this matter. If you have any questions, please do not hesitate to contact me.

STD CONTRACT EXHIBITS

REV. 9/19/16

EXHIBIT A

PARTICIPATION BY DISADVANTAGED BUSINESS ENTERPRISES IN FEDERAL-AID PROGRAM

Policy. It is the policy of the U.S. Department of Transportation that Disadvantaged Business Enterprises (DBE) as defined in 49 CFR Part 26 shall have the opportunity to participate in the performance of contracts financed in whole or in part with Federal funds under this AGREEMENT. Consequently, the DBE requirements of 49 CFR Part 26 apply to this AGREEMENT.

DBE Obligation. The recipient of funds under the terms of this AGREEMENT agrees to ensure that Disadvantaged Business Enterprises as defined in 49 CFR Part 26 have the maximum opportunity to participate in the performance of contracts and subcontracts financed in whole or in part with Federal funds provided under this agreement. The recipient shall take all necessary and reasonable steps in accordance with 49 CFR Part 26 to see that Disadvantaged Business Enterprises have the opportunity to compete for and perform contracts and shall not discriminate on the basis of race, color, national origin, or sex in the award and performance of U.S. Department of Transportation assisted contracts.

Failure of the recipient of funds under the terms of this AGREEMENT, or failure of its subcontractor (if a subcontractor is authorized) to carry out the DBE requirements of this AGREEMENT shall constitute a breach of contract, and may result in termination of the contract by the STATE, or such other remedy may be undertaken by the STATE as it deems appropriate.

The value of the work performed by the COUNTY prior to the termination of this AGREEMENT shall be determined. In determining the value of the work performed, the STATE shall consider the following:
 1. The ratio of the amount of work performed by the COUNTY prior to the termination of the AGREEMENT to the total amount of work contemplated by this AGREEMENT less any payments previously made.
 2. The amount of the expense to which the COUNTY is put in performing the work to be terminated in proportion to the amount of expense to which the COUNTY would have been put had he been allowed to complete the total work contemplated by the AGREEMENT, less any payments previously made. In determining the value of the work performed by the COUNTY prior to the termination, no consideration will be given to profit, which the COUNTY might have made on the uncompleted portion of the work. If the termination is brought about as a result of unsatisfactory performance on the part of the COUNTY, the value of the work performed by the COUNTY prior to termination shall be fixed solely on the ratio of the amount of such work to the total amount of work contemplated by this AGREEMENT.

CONTROVERSY

In any controversy concerning contract terms, or on a question of fact in connection with the work covered by this project, including compensation for such work, the decision of the Transportation Director regarding the matter in issue or dispute shall be final and conclusive of all parties.

**STATE OF ALABAMA
DEPARTMENT OF TRANSPORTATION
GUIDELINES FOR OPERATION**

**SUBJECT: PROCEDURES FOR PROCESSING STATE AND INDUSTRIAL
ACCESS FUNDED COUNTY AND CITY PROJECTS**

No work can be performed and no contracts can be let prior to having a fully executed project agreement, submittal of project plans to Region and notification from the Region that advertisement for bids can be made, or, in the case of force account projects, work can begin.

A project agreement will be prepared and furnished to the County/City upon receipt of grant award letter signed by the Director or Governor. The Region will prepare and submit a F-7A Budget Allotment request upon receipt of a project funding agreement at the time it is submitted to the County/City for their execution.

The County/City will submit plans prepared and signed by a registered professional engineer showing work to be performed. Plans must match the project agreement description. It is not necessary for the Region to perform an in-depth review of plans. The County/City will submit a certification signed by a Registered Professional Engineer stating that the plans have been prepared so that all items included in the plans meet ALDOT specifications. The County/City will include a letter certifying that the County/City owns all right-of-way on which the project is to be constructed.

Upon receipt of the executed agreement, the executed F-7A, final plans from the County/City, and right-of-way certification, the Region may notify the County/City to proceed with advertising the project for letting or proceed with work in the case of a force account project.

In the case where a County/City is using an in-place annual bid, the County/City will furnish the Region a copy of their bid and this bid price will be used for reimbursement.

Where the County/City is letting a contract locally, the County/City will furnish to the Region the three lowest bids with their recommendation for award. The Region will review the bids, and, if in order, advise the County/City to proceed with award of the contract to the lowest responsible bidder. The County's/City's estimate for reimbursement will be based on the bid prices concurred in by the State and supported with documentation that the contractor has been paid for work performed (copy of cancelled check).

A certification will be submitted with County/City final estimate stating that the project was constructed in accordance with final plans submitted to the State and with the specifications, supplemental specifications, and special provisions which were shown on the plans or with the State's latest specifications which were applicable at the time of plan approval.

The County/City will notify the Region when the project is complete and the Region will perform a final ride-through to determine whether the project was completed in substantial compliance with original final plans. Final acceptance will be made by the Region with a copy of the letter furnished to the Bureau of Local Transportation.

All required test reports, weight tickets, material receipts and other project documentation required by the specifications, applicable supplemental specifications, and special provisions will be retained by the County/City for a period of three (3) years following receipt of final payment and made available for audit by the State upon request. If an audit is performed and proper documentation is not available to verify quantities and compliance with specifications, the County/City will refund the project cost to the State or do whatever is necessary to correct the project at their cost.

All County/City Industrial Access or State funded projects let to contract by the State will follow normal project procedures and comply with all current plan processing requirements.

Re: Agreement with the Alabama Department of Transportation regarding
Resurfacing Roads

I have reviewed the Agreement with the Alabama Department of Transportation regarding resurfacing Snowdown Chambers Road from Hobbie Road to Woodley Road.

The Agreement appears to be in order and will be binding upon all parties upon execution.

I am also of the opinion that the services provided for in this agreement are in the best interest of the public health, safety, education, and general welfare of the citizens of Montgomery County. I, therefore, see no reason why the agreement should not be executed if it is the desire of the Montgomery County Commission.

WHEREAS, the OWNER desires to retain the CONSULTANT to perform certain professional planning, programming, and engineering services as outlined in the Scope of Services;

WHEREAS, the CONSULTANT desires to perform said professional services for the OWNER;

NOW, THEREFORE, for and in consideration of the mutual covenants hereinafter stipulated to be kept and performed, the parties hereto agree as follows:

ARTICLE 1 DEFINITIONS

1.1 PROJECT or PROJECTS. The total construction or scope of which the Work to be performed under the Contract Documents may be the whole, or a part.

1.2 BASIC SERVICES. The professional services to be performed by CONSULTANT under this Agreement, as set out in Article 3 and as described in the "Basic Services" of Attachment A.

1.3 ADDITIONAL SERVICES. Any services beyond Basic Services as described in Article 3 and the "Basic Services" of Attachment A, as mutually agreed to in writing between OWNER and CONSULTANT.

1.4 CONSTRUCTION CONTRACT. The entire and integrated written agreement, or agreements, between OWNER and Contractor concerning the Work.

1.5 CONTRACT DOCUMENTS. Those items so designated in the Construction Contract, including the Drawings, Specifications, Construction Contract, and general and supplementary conditions. Only printed or hard copies of the items listed in the Construction Contract are Contract Documents. Reviewed Shop Drawings, other Contractor submittals, and the reports and drawings of subsurface and physical conditions are not Contract Documents.

1.6 DRAWINGS. That part of the Contract Documents prepared or approved by CONSULTANT which graphically shows the scope, extent, and character of the Work to be performed by Contractor. Shop Drawings are not Drawings as so defined.

1.7 SPECIFICATIONS. That part of the Contract Documents consisting of written technical descriptions of materials, equipment, systems, standards, and workmanship as applied to the Work and certain administrative details applicable thereto.

1.8 SHOP DRAWINGS. All drawings, diagrams, illustrations, schedules, and other data or information which are specifically prepared or assembled by or for Contractor by someone other than CONSULTANT, and submitted by Contractor to illustrate some portion of the Work.

1.9 RECORD DRAWINGS. Also referred to as "As-Builts" and "As-Built Plans," Record Drawings shall mean drawings depicting the completed Project, prepared by CONSULTANT as an Additional Service and based solely on Contractor's record copy of all Drawings, Specifications, addenda, change orders, work change directives, field orders, and written interpretations and clarifications, as delivered to CONSULTANT and annotated by Contractor to show changes made during construction.

1.10 CONSTRUCTION OBSERVER. The authorized representative of CONSULTANT assigned to assist CONSULTANT at the site during construction. As used herein, the term CONSTRUCTION OBSERVER includes any assistants or field staff of CONSTRUCTION OBSERVER agreed to by OWNER. The duties and responsibilities of the CONSTRUCTION OBSERVER, if any, are as set forth in the "Basic Services" of Attachment A.

1.11 CONTRACTOR. A Contractor is any person or entity which enters into an agreement with OWNER to perform the construction of or any construction on any Project, including, without limitation, the providing of labor, materials, and equipment incorporated or to be incorporated into the Project. The term "Contractor" means the Contractor or its authorized representative, but excludes the CONSULTANT and its subconsultants.

1.12 APPLICABLE LAWS. Applicable Laws, as used herein, shall mean the law of the State of Alabama as well as applicable regulations, codes and licenses promulgated or issued by any board, commission or agency having authority and jurisdiction over this Agreement.

1.13 If a dispute arises out of or relates to their agreement or its breach, the parties shall endeavor to settle the dispute first through direct discussions and negotiations. If the dispute cannot be settled through direct discussions or negotiations, the parties shall endeavor to settle the dispute by non-binding mediation. The location of the mediation shall be Montgomery, Alabama. Either party may terminate the mediation at any time after the session, but the decision to terminate must be delivered in person to the other party and the mediator. Engaging in mediation is a condition precedent to any other form of binding dispute resolution. If the parties cannot agree on a mutual resolution then any disputes not resolved by mediation shall be decided in the Circuit Court of Montgomery County, Alabama and governed by the laws of the State of

Alabama between the Montgomery County Commission and Volkert, Inc. I am also of the opinion that the services provided for in this agreement are in the best interest of the public health, safety, education and general welfare of the citizens of Montgomery County. I, therefore, see no reason why the agreement should not be executed if it is the desire of the Montgomery County Commission.

ARTICLE 2 RELATIONSHIP OF THE PARTIES

CONSULTANT is providing professional engineering services pursuant to this Agreement. Nothing in this Agreement shall be construed to mean that CONSULTANT assumes any responsibility or duties of the Contractor(s), or can be held liable for its failure to perform its obligations and duties to OWNER. The Contractor(s) will be solely responsible for means, methods, techniques, sequences and procedures used in the construction of the Project and for the safety of its personnel, property and its operations, and for performing in accordance with its contract(s) with OWNER, as well as for any damages for construction defects caused, in whole or in part, by the Contractor's work. CONSULTANT shall be able to rely upon the Contractor for the proper performance of its obligations to OWNER.

OWNER acknowledges and takes into account the fact that CONSULTANT does not have a contract with Contractor(s) and, as such, cannot direct its respective means and methods, its forces, its personnel, its subcontractors, suppliers and/or subconsultants. CONSULTANT cannot require those parties with which it has no contract to refrain from or perform any acts they are not willing to perform. Requiring action or conduct out of Contractor and/or Architect is the responsibility of the OWNER.

Anything not expressly stated in this provision, or in Attachment A, or in any subsequent written agreements between OWNER and CONSULTANT, are not a part of CONSULTANT's Scope of Services.

3.1.1 Safety. Consistent with and pursuant to Section 3.2.4, *infra*, CONSULTANT shall not be responsible for site safety, or for the safety of Contractor or its employees or subcontractors. CONSULTANT is not being retained to, and shall not be expected or

required to, research or review the safety record or history of OSHA violations of any potential bidding contractor, and shall not be expected, required, or retained to undertake vetting, pre-screening, researching, or approving any potential bidding contractor based on its safety record.

3.2 Standards of Performance.

3.2.1 Standard of Care. CONSULTANT shall at all times endeavor to perform Basic Services in conformance with the generally accepted care and skill exercised by professional engineers practicing under similar circumstances at the same time and in the same locality. CONSULTANT makes no warranties, express or implied, under this Agreement or otherwise, in connection with CONSULTANT's services, and guarantees no particular result. CONSULTANT neither guarantees the performance of any Contractor(s), nor assumes the responsibility of the Contractor(s) to furnish or perform its obligations to OWNER, whether arising from the Construction Contracts, the Contract Documents or otherwise.

3.2.2 Consultants. CONSULTANT may retain such subconsultants as CONSULTANT deems necessary to assist in the performance or furnishing of the services, subject to reasonable, timely, and substantive objections by OWNER.

Subject to the Standard of Care set forth in Paragraph 3.2.1, *supra*, CONSULTANT and its subconsultants may use or rely upon design elements and information ordinarily or customarily furnished by others, including, but not limited to, OWNER, Contractor, specialty contractors, manufacturers, suppliers, and the publishers of technical standards.

3.2.4 CONSULTANT and Contractor.

3.2.4.1 CONSULTANT shall not at any time supervise, direct, control, or have authority over any contractor work, nor shall CONSULTANT have authority over or be responsible for the means, methods, techniques, sequences, or procedures of construction selected or used by the Contractor, or the safety precautions and programs incident thereto, for security or safety at any Project site, nor for any failure of the Contractor to comply with Applicable Law and Contract Documents as it pertains to the Contractor's furnishing and performing of its work.

3.2.4.2 CONSULTANT neither guarantees the performance of the Contractor nor assumes responsibility for the Contractor's failure to furnish and perform the Work in accordance with the Contract Documents.

3.2.4.3 CONSULTANT shall not be responsible for the acts or omissions of the Contractor, or of any subcontractor, supplier, or any of their agents or employees, or of any other persons (except CONSULTANT's own agents, employees, and subconsultants) at the Project site or otherwise furnishing or performing any Work; or for any decision made regarding the Contract

Documents, or any application, interpretation, or clarification, of the Contract Documents, other than those made by CONSULTANT.

7.1 Suspension.

7.1.1 By OWNER. OWNER may suspend the Project for up to 90 days upon seven days written notice to CONSULTANT.

7.1.2 By CONSULTANT. CONSULTANT may, after giving seven days written notice to OWNER, suspend services under this Agreement if CONSULTANT's performance has been substantially delayed through no fault of CONSULTANT, or due to OWNER's failure to pay CONSULTANT as set forth in Section 4.3.2 above.

7.2 Termination. The obligation to provide further Services under this Agreement may be terminated:

7.2.1 For cause,

(a) By either party upon 30 days written notice in the event of substantial failure by the other party to perform in accordance with the terms hereof through no fault of the terminating party.

(b) By CONSULTANT:

(1) upon seven days written notice if OWNER demands that CONSULTANT furnish or perform services contrary to CONSULTANT's responsibilities as a licensed professional; or

(3) CONSULTANT shall have no liability to OWNER on account of such termination.

(c) Notwithstanding the foregoing, this Agreement will not terminate under Paragraph 7.2.1(a) if the party receiving such notice begins, within seven days of receipt of such notice, to correct its substantial failure to perform and proceeds diligently to cure such failure within no more than 30 days of receipt thereof; provided, however, that if and to the extent such substantial failure cannot be reasonably cured within such 30 day period, and if such party has diligently attempted to cure the same and thereafter continues diligently to cure the same, then the cure period provided for herein shall extend up to, but in no case more than, 60 days after the date of receipt of the notice.

7.2.2 For convenience,

(a) By OWNER effective upon CONSULTANT's receipt of notice from OWNER.

7.3 Effective Date of Termination. The terminating party under Paragraph 7.2 may set the effective date of termination at a time up to 30 days later than otherwise provided to allow CONSULTANT to demobilize personnel and equipment from the Project site, to complete tasks whose value would otherwise be lost, to prepare notes as to the status of completed and uncompleted tasks, and to assemble Project materials in orderly files.

7.4. Payments Upon Termination

7.4.1 In the event of any termination under Paragraph 7.2, CONSULTANT will be entitled to invoice OWNER and to receive full payment for all Services performed or furnished in

ARTICLE 8 MISCELLANEOUS PROVISIONS

8.1 Contract Period: All contracts, agreements, provisions and stipulations of this Agreement shall remain in full force for a period of 1.5 years from the date of the Agreement, and for such periods as the contract time may be extended by mutual written agreement between the OWNER and the CONSULTANT.

8.2 Ownership and Reuse of Documents. All Project documents including but not necessarily limited to reports, Drawings, studies, findings, correspondence, specifications, survey notes, estimates, maps, computations, calculations, computer files, computer assisted design and drafting (CADD) files (electronic and hard copy), and other data, as well as any and all other documents and other materials prepared, generated, or furnished by or for CONSULTANT and/or its subconsultant(s) for the Project pursuant to this Agreement (hereinafter referred to in this Paragraph 8.2 as "Documents") are instruments of service with respect to the Project, and CONSULTANT shall retain an ownership and intellectual property interest therein regardless whether the Project is completed. OWNER may make and retain copies thereof for information and reference in connection with the use and/or occupancy of the Project by OWNER and others. However, such Documents are not intended for reuse or future use by OWNER or others for any purpose whatsoever or on any other project. No representation is made that such Documents are or will be suitable for reuse or future use by OWNER or others for any purpose whatsoever or on any other project. Any use of such Documents by OWNER or others on any project other than the Project which is the subject of this Agreement is not advised and shall be done without warranty, representation, or liability to any extent whatsoever on the part of CONSULTANT. OWNER shall defend, indemnify, save and hold harmless CONSULTANT, its officers, directors, employees, agents, successors, and assigns against any and all liability for any and all claims, demands, fines, fees, damages, actions, causes of action, lawsuits, expenses (including attorneys' fees), mediations, and arbitrations arising out of, resulting from, or relating in any way to the OWNER's use of such Documents.

8.3 Electronic Transmittals.

8.3.1 OWNER and CONSULTANT may transmit, and shall accept, project-related correspondence, documents, text, data, drawings, information, and graphics, in electronic media or digital format, either directly, or through access to a secure project website, in accordance with a mutually agreeable protocol.

8.3.2 If this Agreement does not establish protocols for electronic or digital transmittals, then OWNER and CONSULTANT shall jointly develop such protocols.

8.3.3 When transmitting items in electronic media or digital format, the transmitting party makes no representations as to long term compatibility, usability, or readability of the items resulting from the recipient's use of software application packages, operating systems, or computer hardware differing from those used in the drafting or transmittal of the items, or from those established in applicable transmittal protocols.

8.4 Exclusivity of Remedies. To the fullest extent permitted by law, the total liability, in the aggregate, of CONSULTANT and CONSULTANT's officers, directors, employees, agents and subconsultants, and of any of them, to OWNER and anyone claiming by, through or under OWNER, for any and all injuries, claims, losses, expenses or damages whatsoever arising out of or in any way related to CONSULTANT's Services, the Project or this Agreement from any cause or causes whatsoever, including but not limited to the negligence, errors, omissions, strict liability or breach of contract by CONSULTANT or CONSULTANT's officers, directors, employees, agents or subconsultants, or any of them, shall be limited to and shall not exceed the total compensation received by CONSULTANT under this Agreement, but in no event shall exceed the amount of available insurance proceeds. The OWNER will not be responsible for any claims of any nature that is the direct or indirect result of the negligence of the CONSULTANT, including but not limited to any injuries or legal claims of any nature filed by the employees of CONSULTANT.

8.5 Successors and Assigns

8.5.1 OWNER and CONSULTANT each is hereby bound and the partners, successors, executors, administrators and legal representatives of OWNER and CONSULTANT (and to the extent permitted by Paragraph 8.4.2, the assigns of OWNER and CONSULTANT) are hereby bound to the other party to this Agreement and to the partners, successors, executors, administrators and legal representatives (and said assigns) of such other party, in respect of all covenants, agreements and obligations of this Agreement.

8.5.2 Neither OWNER nor CONSULTANT shall assign, sublet or transfer any rights under or interest in (including, but without limitation, monies that may become due or monies that are due) this Agreement without the written consent of the other, except to the extent that any assignment, subletting or transfer is mandated by law or the effect of this limitation may be restricted by law. Unless specifically stated to the contrary in any written consent to an assignment, no assignment will release or discharge the assignor from any duty or responsibility under this Agreement. Nothing contained in this paragraph shall prevent CONSULTANT from

employing such independent professional associates and consultants as CONSULTANT may deem appropriate to assist in performance of Services hereunder.

8.5.3 Nothing under this Agreement shall be construed to give any right or benefits in this Agreement to anyone other than OWNER and CONSULTANT, and all duties and responsibilities undertaken pursuant to this Agreement will be for the sole and exclusive benefit of OWNER and CONSULTANT and not for the benefit of any other party. OWNER agrees that that the substance of the provisions of this Paragraph 8.4.3 shall appear in the construction Contract Documents.

8.6 Dispute Resolution. If a dispute arises out of or relates to this Agreement or its alleged breach, the OWNER and CONSULTANT shall direct their representatives to endeavor to settle the dispute first through direct discussions. If the dispute cannot be resolved through direct discussions, the OWNER and CONSULTANT shall participate in mediation before recourse to litigation. The OWNER's and CONSULTANT's representatives shall attend all mediation sessions. Engaging in mediation is a condition precedent to litigation. Only after the parties have exhausted direct discussions AND mediation in accordance with the foregoing shall either of them be entitled to initiate litigation. Should either party initiate litigation prior to engaging in direct discussions and good faith mediation, it shall pay all attorneys' fees and expenses and other costs incurred by the other party in responding to said litigation. Any provisions herein to the contrary notwithstanding, OWNER and CONSULTANT hereby agree that any disputes between them will be tried to the Bench and not to a jury, and each of them willfully and voluntarily waives its right to trial by jury for any dispute arising out of this Agreement.

8.7 Disclaimer of Third-Party Benefits. OWNER and CONSULTANT expressly disclaim third-party beneficiaries hereunder and no one not a Party to the Agreement shall be entitled to seek enforcement against OWNER and/or CONSULTANT of any provision herein, or to otherwise seek damages from either Party for the alleged breach of any provision contained herein or purported duty or standard created or conferred hereunder. It is specifically agreed between the parties executing this Agreement that it is not intended by any of the provisions of any part of the Agreement to create in the public or any member thereof a third party beneficiary hereunder, or to authorize anyone not a Party to the Agreement to maintain a claim, cause of action, lien or any other damages or any relief of any kind pursuant to the terms and provisions of this Agreement.

8.8 Waiver of Consequential Damages. Notwithstanding any other provision of this Agreement, and to the fullest extent permitted by law, neither OWNER nor CONSULTANT, their respective officers, directors, agents, partners, employees, contractors or subconsultants shall be liable to the other or shall make any claim for any incidental, indirect or consequential damages arising out of or connected in any way to the Project or to this Agreement. This mutual waiver of consequential damages shall include, but is not limited to, loss of use, loss of profit, loss of business, loss of income, loss of reputation, or any other consequential damages that either party may have incurred from any cause of action including negligence, strict liability, breach of contract and breach of strict or implied warranty. Both OWNER and CONSULTANT shall require similar waivers of consequential damages protecting all of the entities and persons named herein in all contracts and subcontracts with others involved in the Project.

8.9 Jurisdiction/Venue. It is expressly agreed and stipulated between the parties that this Agreement shall be deemed to have been executed in the State of Alabama where the principal office of Volkert, Inc. is located. This Agreement shall be governed by the laws of the State of Louisiana and any disputes related to or arising out of this Agreement or its alleged breach shall be brought in the appropriate courts of the State of Alabama, exclusive of its choice of law provisions.

8.10 Severability. Any provision or part hereof which is held to be void or unenforceable under Applicable Laws shall be deemed stricken, and all remaining provisions shall continue to be valid and binding upon OWNER and CONSULTANT, which hereby agreed that the Agreement shall be reformed to replace such stricken provision or part hereof with a valid and enforceable provision that comes as close as possible to expressing the intent of the stricken provision.

8.11 Total Agreement. This Agreement, (together with the attachments included above) constitutes the entire agreement between OWNER and CONSULTANT and supersedes all prior written or oral understandings. This Agreement may only be amended, supplemented, modified, or canceled by a written instrument duly executed by both parties.

8.12 Designated Representative. With the execution of this Agreement, CONSULTANT and OWNER shall designate specific individuals to act as CONSULTANT's and OWNER's representatives with respect to the services to be performed or furnished by CONSULTANT and responsibilities of OWNER under this Agreement. Such an individual shall have authority to transmit instructions, receive information, and render decisions relative to this Agreement on behalf of the respective party whom the individual represents.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement, the Effective Date of which is indicated on page 1.

Reference is made to your recent letter, regarding Transportation Support Services man/day and fee proposal for Montgomery County on the above-referenced project.

The amount for this work will be \$ 47,010.00. The overhead rate and operating margin have previously been approved by the Bureau of Finance and Audits, External Audit Section.

The County may proceed to enter into an agreement with Volkert, Inc. **This is not an authorization to begin work. Do not begin work until you are notified to do so by your Local Transportation Section – Montgomery area.** Please let me know if you have any questions.

Re: Agreement for Professional Services with Volkert, Inc., regarding
Intersection Improvements

I have reviewed the 19-page contract with 5 attachments between Volkert and MCC.

I have several changes to the contract and are as follows:

(a) The Agreement should be between the Montgomery County Commission (not "Montgomery County") and Volkert;

(b) Section 1.12 APPLICABLE LAWS – states that it is laws of Louisiana that govern the Agreement and should be the laws of Alabama;

(c) MCC should insert out Dispute Resolution Clause as Section 1.13; and

(d) 8.4 Exclusivity of Remedies – MCC should add the following language

"If a dispute arises out of or relates to this agreement or its breach, the parties shall endeavor to settle the dispute first through direct discussions and negotiations. If the dispute cannot be settled through direct discussions or negotiations, the parties shall endeavor to settle the dispute by non-binding mediation. The location of the mediation shall be Montgomery, Alabama. Either party may terminate the mediation at any time after the session, but the decision to terminate must be delivered in person to the other party and the mediator. Engaging in mediation is a condition precedent to any other form of binding dispute resolution. If the parties cannot agree on a mutual resolution then any disputes not resolved by mediation shall be decided in the Circuit Court of Montgomery County, Alabama and governed by the laws of the State of Alabama between the Montgomery County Commission and Volkert, Inc."

I am also of the opinion that the services provided for in this agreement are in the best interest of the public health, safety, education, and general welfare of the citizens of Montgomery County. I, therefore, see no reason why the agreement should not be executed if it is the desire of the Montgomery County Commission.

SUBJECT: Renewal of Lease Agreement for Purchase of Clay-Gravel
Williamson Properties, Ltd.

Please place on the agenda of the nearest possible regular meeting of the Montgomery County Commission approval of renewing our present lease agreement with Williamson Properties, Ltd. for purchase of clay-gravel. The only significant difference between our present agreement and the renewal agreement is that the material price per cubic yard increases 2.3 %.

This price increase per cubic yard is in line with previous yearly price increases we have agreed upon in the past. The lease also includes a \$2,500 lump sum payment to cover recent increases in property taxes for this property and also as payment for our use of a portion of this property as a staging area for storage of road maintenance materials and to temporarily stockpile trees and debris from storm damages.

If approved please have attached lease agreement executed and return to our office for further processing.

LEASE AGREEMENT

THIS AGREEMENT, made and entered into this ____ day of _____, 2019 by and between Williamson Properties, Ltd. (hereinafter called "LESSOR") and the County of Montgomery (hereinafter called "LESSEE").

WITNESSETH:

THAT LESSOR, in consideration of one dollar (\$1.00) in hand paid, does hereby grant unto LESSEE the right to enter upon the lands hereinafter described and to mine and remove such quantities of clay gravel and sand as desired for the use in the maintenance of Montgomery County roads exclusively from a certain portion of the lands hereinafter described together with the use of the existing road between this tract of land and Macon County Road 2 or the most convenient Macon County Road for the duration of this Agreement. LESSEE shall not resell any clay gravel or sand removed without the permission of the LESSOR.

The lands above and hereinafter referred to are described as follows:

A parcel of land located in the northeast quarter of Section 8, Township 16 North, Range 21 East, Macon County, Alabama, and more particularly shown on Exhibit "A" of the AGREEMENT entered into by and between Nancy P. Williamson and the County of Montgomery in May of 1995.

Payment for the clay gravel and sand removed from the above described land shall be by cubic yard loose volume measured in truck beds at the pit site, the record of yardage for payment to the LESSOR to be the same as made by the LESSEE and that payment shall be made to the LESSOR by the LESSEE within thirty (30) days after the last day of the calendar month in which the clay gravel and/or sand was removed. It is hereby agreed that no payment shall be made to the LESSOR for any stripping of material necessarily removed in securing clay gravel or sand, or in maintaining a temporary haul road, but that the LESSEE will remove, without charge, any or all such stripping of material to a spot on the tract as described above as designated by the LESSOR within three hundred (300) feet off of the place of excavation.

The schedule of payments to the LESSOR per cubic yard shall be as follows:

June 1, 2019 to May 31, 2020@ \$1.31

In addition, LESSEE agrees to pay LESSOR the sum of \$2,500.00 prior to November 30, 2019 for its use of the above described land for purposes other than the removal of clay gravel and sand, and due to the additional real property taxes assessed against the LESSOR as a result of LESSEE's operations on the leased land.

This Agreement shall be binding upon the LESSOR, its heirs, personal representatives, administrators, assigns and/or successors in interest from the date of its execution to its termination.

This Agreement shall expire on May 31, 2020; however, the LESSEE may request to renew this Agreement for an additional year. The price for the clay gravel and sand for the renewal period shall be agreed upon by the LESSOR and LESSEE prior to the expiration of this Agreement on May 31, 2020 or this Agreement will be terminated.

The LESSEE shall maintain the pit in a safe manner with the bottom level as deep as practical, and the sides sloped. It is the intent of the parties that the mining procedure will be such as to maximize the depth of the pit to the extent that the materials as blended are satisfactory for use on Montgomery County roads. The LESSOR agrees that its mining will be conducted in a workmanlike manner consistent with good mining practices and to prevent waste.

The LESSEE must obtain LESSOR'S permission, in writing, if LESSEE wishes to use any of the above described land for purposes other than the mining of gravel or sand.

In that there is another gravel lease and a hunting lease in effect on a portion of the above described property, LESSEE agrees to cooperate with the LESSOR and other lessees to avoid inconveniences to them. LESSEE must request permission of LESSOR, in writing, if it desires to mine in any area other than the one it has mined on the above described lands for the last five (5) years.

LESSEE will procure permits where necessary, at its own expense, and will pay for any and all mining taxes, severance taxes, business taxes or other like taxes in connection with the mining or removing of materials from the above described land together with all taxes on buildings and other property and installations constructed or placed upon the above described land by LESSEE. LESSEE will indemnify, defend and hold LESSOR harmless from and against all losses and/or expenses (including judgments, costs and attorney's fees) by reason of liability imposed by law for failure to obtain necessary permits and to pay applicable taxes.

LESSEE shall comply with all present and existing laws and regulations, both State and Federal, including those laws and regulations governing reclamation of lands and the posting of reclamation bonds. LESSEE shall reclaim any mined area within two (2) months after the termination of this Agreement. LESSEE'S reclamation obligation shall be at LESSEE'S sole expense.

LESSEE agrees to indemnify, defend and hold harmless LESSOR from and against all losses and/or expenses (including judgments, costs and attorney's fees) by reason of liability imposed by law upon LESSOR for damages arising out of LESSEE'S mining operations on the above described land including operation of all machinery and

vehicles used in obtaining and transporting clay gravel and sand, and for any liabilities arising from the presence of the pit itself.

LESSEE agrees to indemnify, defend and hold harmless LESSOR from and against all losses and/or expenses (including judgments, costs and attorney's fees) by reason of liability imposed by law upon LESSOR for damages because of bodily injury including death at any time arising there from, sustained by any person or persons or on account of damage to property, including loss of use thereof, arising out of or in consequence of the performance of LESSEE'S operations under this Agreement.

LESSEE agrees that its mining will be conducted in a workmanlike manner consistent with good mining practices and consistent with the manner in which LESSEE has conducted mining operations on the above described land in previous years. LESSEE specifically covenants that its operations on the above described land shall conform to all applicable laws, regulations and ordinances, now existing or hereinafter passed, of Federal, State and Local Governments and Agencies, including, without limitation, all reclamation and environmental laws, regulations and ordinances. LESSEE shall defend, indemnify and hold LESSOR harmless for all losses, claims, liabilities, fines, assessments, clean-up costs, expenses and costs, including judgments and attorney's fees, resulting from LESSEE'S violation of any such laws, regulations and ordinances.

LESSOR states that it has the right to lease the above described land and to sell the said clay gravel and sand; that it is the sole owner of the land from which the said clay gravel and sand is to be taken and that the said land is free and clear of all liens, encumbrances and/or reservations.

This Agreement may not be assigned by LESSEE.

This Agreement may be terminated by LESSOR or LESSEE at any time by giving thirty (30) days written notice to the other party. Prior to the end of the thirty day period, LESSEE shall remove all machinery, equipment, debris and material belonging to LESSEE from the above described land. All payments due as set forth above shall be made current through the date of termination. LESSOR agrees to fulfill any reclamation requirements as set forth under this Agreement within sixty (60) days of the notice of termination by either party.

Any notice required or permitted to be given herein under shall be sufficient if given in writing either by hand delivery or by registered or certified United States mail, postage prepaid, addressed to the parties as listed below:

I have reviewed the Renewal Lease Agreement with Williamson Properties.

I spoke with Polly Williamson and she explained that no one hunted on the land MCC is mining gravel. Therefore, I have no problem with you executing the lease.

Dear Ms. Wise;

DYS is proud that Montgomery County Juvenile Court has been a long time partner in the Diversion Grant process and hope it continues. As good stewards of state dollars, it is our responsibility to monitor the use of funds provided to local programs. For the past four months, Davis Transitions has been operating well below the expected capacity of 50 youth (9, 9, 9, and 11 respectively). We indicated in previous correspondence that if the trend continued, it would result in a 25% reduction of funding for the last quarter of the year. Consequently, we are requesting that you refund DYS \$30,625.00 of the \$490,000.00 funded to you at the beginning of the 2019 fiscal year.

Thank you for the effort you made to influence the numbers being referred to the program. I know that you and Judge Hardwick followed the plan we discussed in our meeting on August 13, 2018.

Sincerely,

Patrick J. Pendergast

See the attached letter from Mr. Pendergast of the Department of Youth Services. As you can see, the Department is requesting a refund in the amount of \$30,625.00 of the \$490,000.00 awarded to Montgomery County last October.

Please consider making appropriate referrals these next five months. The total number of children and families we serve will affect the amount of the grant award next year.

RE: COLD CASE UNIT

At the request of Commissioner Dan Harris, I am resubmitting my proposal to create a cold case unit in the Montgomery County District Attorney's Office.

This unit would consist of two full time District Attorney Investigators that would reinvestigate cases the have remained unsolved and are no longer being actively worked. This unit would work closely with the Montgomery County Sheriff's Office and the Montgomery Police Department. As the Chief Law Enforcement Official for Montgomery County, I believe that this unit should be housed in the District Attorney's Office.

On average there are approximately 10 homicide cases each year that go unsolved. The families of these victims deserve justice and they deserve to know that their case is not cold and that someone is actively working to bring the person responsible for the death of their loved one to justice.

I am requesting that the Montgomery County Commission consider this proposal and work with me to address this issue in our county.

Reference is made to your recent letter, regarding Transportation Support Services man/day and fee proposal for Montgomery County on the above-referenced project.

The amount for this work will be \$ 47,010.00. The overhead rate and operating margin have previously been approved by the Bureau of Finance and Audits, External Audit Section.

The County may proceed to enter into an agreement with Volkert, Inc. **This is not an authorization to begin work. Do not begin work until you are notified to do so by your Local Transportation Section – Montgomery area.** Please let me know if you have any questions.

Re: Agreement for Professional Services with Volkert, Inc., regarding Intersection Improvements

I have reviewed the 19-page contract with 5 attachments between Volkert and MCC.

I have several changes to the contract and are as follows:

(a) The Agreement should be between the Montgomery County Commission (not "Montgomery County") and Volkert;

(b) Section 1.12 APPLICABLE LAWS – states that it is laws of Louisiana that govern the Agreement and should be the laws of Alabama;

(c) MCC should insert out Dispute Resolution Clause as Section 1.13; and

(d) 8.4 Exclusivity of Remedies – MCC should add the following language

"If a dispute arises out of or relates to this agreement or its breach, the parties shall endeavor to settle the dispute first through direct discussions and negotiations. If the dispute cannot be settled through direct discussions or negotiations, the parties shall endeavor to settle the dispute by non-binding mediation. The location of the mediation shall be Montgomery, Alabama. Either party may terminate the mediation at any time after the session, but the decision to terminate must be delivered in person to the other party and the mediator. Engaging in mediation is a condition precedent to any other form of binding dispute resolution. If the parties cannot agree on a mutual resolution then any disputes not resolved by mediation shall be decided in the Circuit Court of Montgomery County, Alabama and governed by the laws of the State of Alabama between the Montgomery County Commission and Volkert, Inc."

I am also of the opinion that the services provided for in this agreement are in the best interest of the public health, safety, education, and general welfare of the citizens of Montgomery County. I, therefore, see no reason why the agreement should not be executed if it is the desire of the Montgomery County Commission.

SUBJECT: Renewal of Lease Agreement for Purchase of Clay-Gravel
Williamson Properties, Ltd.

Please place on the agenda of the nearest possible regular meeting of the Montgomery County Commission approval of renewing our present lease agreement with Williamson Properties, Ltd. for purchase of clay-gravel. The only significant difference between our present agreement and the renewal agreement is that the material price per cubic yard increases 2.3 %.

This price increase per cubic yard is in line with previous yearly price increases we have agreed upon in the past. The lease also includes a \$2,500 lump sum payment to cover recent increases in property taxes for this property and also as payment for our use of a portion of this property as a staging area for storage of road maintenance materials and to temporarily stockpile trees and debris from storm damages.

If approved please have attached lease agreement executed and return to our office for further processing.

LEASE AGREEMENT

THIS AGREEMENT, made and entered into this ____ day of _____, 2019 by and between Williamson Properties, Ltd. (hereinafter called "LESSOR") and the County of Montgomery (hereinafter called "LESSEE").

WITNESSETH:

THAT LESSOR, in consideration of one dollar (\$1.00) in hand paid, does hereby grant unto LESSEE the right to enter upon the lands hereinafter described and to mine and remove such quantities of clay gravel and sand as desired for the use in the maintenance of Montgomery County roads exclusively from a certain portion of the lands hereinafter described together with the use of the existing road between this tract of land and Macon County Road 2 or the most convenient Macon County Road for the duration of this Agreement. LESSEE shall not resell any clay gravel or sand removed without the permission of the LESSOR.

The lands above and hereinafter referred to are described as follows:

A parcel of land located in the northeast quarter of Section 8, Township 16 North, Range 21 East, Macon County, Alabama, and more particularly shown on Exhibit "A" of the AGREEMENT entered into by and between Nancy P. Williamson and the County of Montgomery in May of 1995.

Payment for the clay gravel and sand removed from the above described land shall be by cubic yard loose volume measured in truck beds at the pit site, the record of yardage for payment to the LESSOR to be the same as made by the LESSEE and that payment shall be made to the LESSOR by the LESSEE within thirty (30) days after the last day of the calendar month in which the clay gravel and/or sand was removed. It is hereby agreed that no payment shall be made to the LESSOR for any stripping of material necessarily removed in securing clay gravel or sand, or in maintaining a temporary haul road, but that the LESSEE will remove, without charge, any or all such stripping of material to a spot on the tract as described above as designated by the LESSOR within three hundred (300) feet off of the place of excavation.

The schedule of payments to the LESSOR per cubic yard shall be as follows:

June 1, 2019 to May 31, 2020@ \$1.31

In addition, LESSEE agrees to pay LESSOR the sum of \$2,500.00 prior to November 30, 2019 for its use of the above described land for purposes other than the removal of clay gravel and sand, and due to the additional real property taxes assessed against the LESSOR as a result of LESSEE's operations on the leased land.

This Agreement shall be binding upon the LESSOR, its heirs, personal representatives, administrators, assigns and/or successors in interest from the date of its execution to its termination.

This Agreement shall expire on May 31, 2020; however, the LESSEE may request to renew this Agreement for an additional year. The price for the clay gravel and sand for the renewal period shall be agreed upon by the LESSOR and LESSEE prior to the expiration of this Agreement on May 31, 2020 or this Agreement will be terminated.

The LESSEE shall maintain the pit in a safe manner with the bottom level as deep as practical, and the sides sloped. It is the intent of the parties that the mining procedure will be such as to maximize the depth of the pit to the extent that the materials as blended are satisfactory for use on Montgomery County roads. The LESSOR agrees that its mining will be conducted in a workmanlike manner consistent with good mining practices and to prevent waste.

The LESSEE must obtain LESSOR'S permission, in writing, if LESSEE wishes to use any of the above described land for purposes other than the mining of gravel or sand.

In that there is another gravel lease and a hunting lease in effect on a portion of the above described property, LESSEE agrees to cooperate with the LESSOR and other lessees to avoid inconveniences to them. LESSEE must request permission of LESSOR, in writing, if it desires to mine in any area other than the one it has mined on the above described lands for the last five (5) years.

LESSEE will procure permits where necessary, at its own expense, and will pay for any and all mining taxes, severance taxes, business taxes or other like taxes in connection with the mining or removing of materials from the above described land together with all taxes on buildings and other property and installations constructed or placed upon the above described land by LESSEE. LESSEE will indemnify, defend and hold LESSOR harmless from and against all losses and/or expenses (including judgments, costs and attorney's fees) by reason of liability imposed by law for failure to obtain necessary permits and to pay applicable taxes.

LESSEE shall comply with all present and existing laws and regulations, both State and Federal, including those laws and regulations governing reclamation of lands and the posting of reclamation bonds. LESSEE shall reclaim any mined area within two (2) months after the termination of this Agreement. LESSEE'S reclamation obligation shall be at LESSEE'S sole expense.

LESSEE agrees to indemnify, defend and hold harmless LESSOR from and against all losses and/or expenses (including judgments, costs and attorney's fees) by reason of liability imposed by law upon LESSOR for damages arising out of LESSEE'S mining operations on the above described land including operation of all machinery and

vehicles used in obtaining and transporting clay gravel and sand, and for any liabilities arising from the presence of the pit itself.

LESSEE agrees to indemnify, defend and hold harmless LESSOR from and against all losses and/or expenses (including judgments, costs and attorney's fees) by reason of liability imposed by law upon LESSOR for damages because of bodily injury including death at any time arising there from, sustained by any person or persons or on account of damage to property, including loss of use thereof, arising out of or in consequence of the performance of LESSEE'S operations under this Agreement.

LESSEE agrees that its mining will be conducted in a workmanlike manner consistent with good mining practices and consistent with the manner in which LESSEE has conducted mining operations on the above described land in previous years. LESSEE specifically covenants that its operations on the above described land shall conform to all applicable laws, regulations and ordinances, now existing or hereinafter passed, of Federal, State and Local Governments and Agencies, including, without limitation, all reclamation and environmental laws, regulations and ordinances. LESSEE shall defend, indemnify and hold LESSOR harmless for all losses, claims, liabilities, fines, assessments, clean-up costs, expenses and costs, including judgments and attorney's fees, resulting from LESSEE'S violation of any such laws, regulations and ordinances.

LESSOR states that it has the right to lease the above described land and to sell the said clay gravel and sand; that it is the sole owner of the land from which the said clay gravel and sand is to be taken and that the said land is free and clear of all liens, encumbrances and/or reservations.

This Agreement may not be assigned by LESSEE.

This Agreement may be terminated by LESSOR or LESSEE at any time by giving thirty (30) days written notice to the other party. Prior to the end of the thirty day period, LESSEE shall remove all machinery, equipment, debris and material belonging to LESSEE from the above described land. All payments due as set forth above shall be made current through the date of termination. LESSOR agrees to fulfill any reclamation requirements as set forth under this Agreement within sixty (60) days of the notice of termination by either party.

Any notice required or permitted to be given herein under shall be sufficient if given in writing either by hand delivery or by registered or certified United States mail, postage prepaid, addressed to the parties as listed below:

I have reviewed the Renewal Lease Agreement with Williamson Properties.

I spoke with Polly Williamson and she explained that no one hunted on the land MCC is mining gravel. Therefore, I have no problem with you executing the lease.

I am also of the opinion that the services provided for in this agreement are in the best interest of the public health, safety, education, and general welfare of the citizens of Montgomery County. Dear Ms. Wise;

DYS is proud that Montgomery County Juvenile Court has been a long time partner in the Diversion Grant process and hope it continues. As good stewards of state dollars, it is our responsibility to monitor the use of funds provided to local programs. For the past four months, Davis Transitions has been operating well below the expected capacity of 50 youth (9, 9, 9, and 11 respectively). We indicated in previous correspondence that if the trend continued, it would result in a 25% reduction of funding for the last quarter of the year. Consequently, we are requesting that you refund DYS \$30,625.00 of the \$490,000.00 funded to you at the beginning of the 2019 fiscal year.

Thank you for the effort you made to influence the numbers being referred to the program. I know that you and Judge Hardwick followed the plan we discussed in our meeting on August 13, 2018.

Sincerely,
