South Montgomery County 2019 Fall Football

The YMCA of Greater Montgomery is teaming up with the Montgomery County Commission again to bring football to South Montgomery County. The Football League is a recreational tackle football league played by elementary students ages 5 through 12. The program is designed for youngsters who want to learn how to play the sport, brush up on the rules, practice tactics and skills, improve their games and most importantly—HAVE FUN! Our focus is on education, participation, and sportsmanship.
