District 2 Arrests

Sheik Butts

A mid-March burglary in District 2 was solved by M.C.S.O. investigators who followed-up on a lead provided by the victim who suspected a family member of being involved. Investigators recovered the stolen property and have charged the below adult and three juveniles in the case.

Arrested: Sheik Fashaan Butts age 18, of Montgomery and Eufaula.

Charges: Receiving Stolen Property I

Warrants have also been issued on Butts for: Burglary II, Theft of Property I

William Blake

Rhoda Snow

In late January deputies responded to a burglary alarm at a residence in the Cecil Alabama community. Although the offender had fled the scene before deputies arrived, a neighbor provided a description of a suspect and his vehicle. Another neighbor had video surveillance which showed the suspect vehicle in the neighborhood. M.C.S.O. investigative personnel following-up on the leads linked the vehicle to William Blake, who had been arrested in the past by M.C.S.O. deputies for burglary. Blake was located at a local hotel and property stolen in other burglaries was recovered in the room where he was arrested. A female present to whom the room was registered was arrested for receiving stolen property. In addition, property stolen in City of Montgomery burglaries was also recovered and Montgomery Police charged Blake in those cases.

Arrested: William Roberts Blake age 26, of Montgomery.

Charges: Burglary III (3 counts), Possession of Drug Paraphernalia, Possession of Controlled Substance, Violation of Parole.

Arrested: Rhoda Snow age 32, of Montgomery.

Charges: Receiving Stolen Property III

This case is an excellent example of victims, neighbors, deputies and other local law enforcement working together to make our communities safer.

Richard Hupper

In February M.C.S.O. dispatchers received a call from a female resident of the south part of District 2 reporting that a male on a motorcycle had ridden up to her home, got the motorcycle stuck in her yard and was attempting to enter her home. Failing to enter the home the offender unlawfully entered a vehicle at the residence. Responding deputies arrived and took the subject into custody.

Arrested: Richard David Hupper age 42 of York, Pennsylvania.

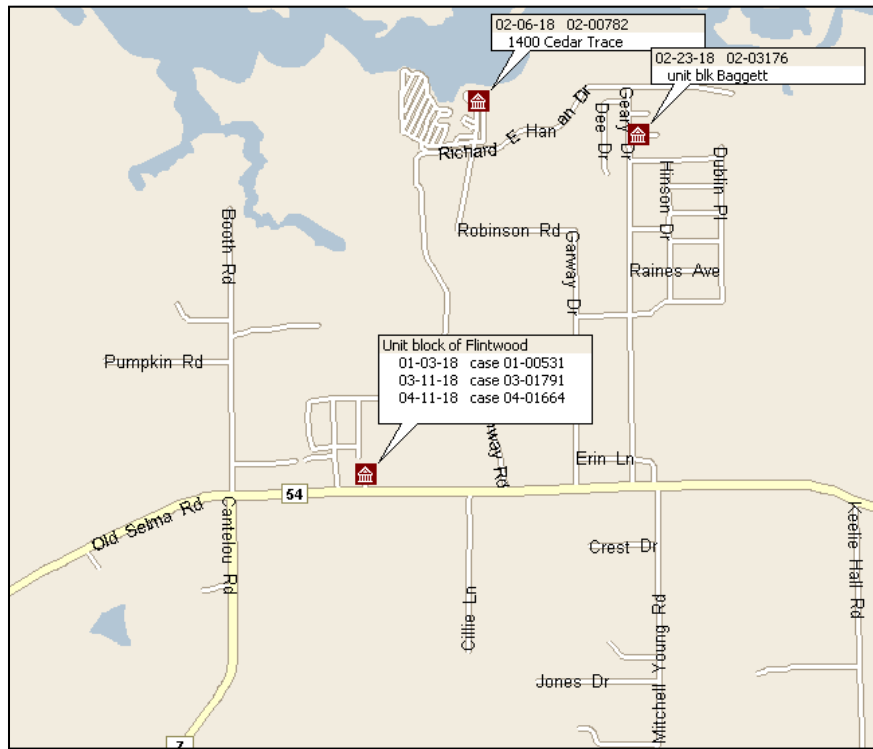

Charges: Attempted Burglary II, Breaking and Entering a Vehicle.

Montgomery County Sheriff's Office TO INCREASE ACCESS TO SAFE MEDICATION DISPOSAL WITH DRUG COLLECTION UNIT DONATED BY CVS HEALTH

Joint effort by CVS Health and Partnership for Drug-Free Kids aims to combat drug abuse, encourage safe drug disposal in local communities

On Friday, March 17, 2017, the Montgomery County Sheriff's Office unveiled their new drug collection unit they received as part of CVS Health's Medication Disposal for Safer Communities Grant Program. The new unit will be located at Administrative Office of the Sheriff, at 100 South Lawrence (2nd floor lobby) and will provide residents with a safe and environmentally responsible way to dispose of unwanted, unused or expired medication, including controlled substances.

"CVS Health is dedicated to helping the communities we serve address and prevent prescription drug abuse," said Tom Davis, R.Ph. Vice President of Pharmacy Professional Services at CVS Health. "Reducing the amount of unused and unwanted medication in the home is critical to preventing prescription drug abuse. We are proud to work with the Partnership for Drug-Free Kids and local leaders to increase convenient access to safe medication disposal."

The new drug disposal unit will help to reduce the amount of unneeded medicine in residents' homes and decrease the potential for prescription drug abuse, which has soared in recent years, especially among teenagers. More than 70 percent of teenagers say it is easy to get prescription drugs from their parents' medicine cabinets, according to a Partnership for Drug-Free Kids study. Proper drug disposal also helps to prevent the contamination of local landfills and water supplies from unused medication.

Over the last few years, the Montgomery County Sheriff's Office has participated with the Drug Enforcement Agency (DEA) and their Drug Take Program. We have collected hundreds of pounds of unused or expired medication. "Sheriff Derrick Cunningham and the staff of the Montgomery County Sheriff's Office are proud to partner with CVS and would like to thank them for providing this grant opportunity. This Drug Collection Unit will help us offer the citizens of Montgomery a safe, convenient, and responsible means of disposing of prescription drugs, while also educating them about the potential for abuse and misuse of medication". The Medication Disposal for Safer Communities program has donated more than 600 drug collection units to law enforcement agencies across the country, which have collected more than 47 metric tons or 100,000 pounds, of unwanted medication. CVS Health also assists law enforcement by supporting local drug take back events and promoting local drug disposal collection sites.
