Welcome!

Thank you for your interest in the 2022 MGM LEAPS Summer Program.

This year, Montgomery County Parks & Recreation will be providing pick up and drop off services each day to the program location within Montgomery.

About the Program:

This summer, the Montgomery County Parks & Recreation Department is proud to partner with MGM LEAPS to provide a 5-week, full-day summer program for **current Kindergarten through 5th grade students**. **If your student is in Kindergarten, they must have completed a year of Kindergarten prior to enrolling in LEAPS. This program is not open to students who will be in Kindergarten fall of 2022.**

This program will include academic enrichment opportunities for students through the MGM LEAPS program offered in the morning and physical fitness activities programmed by the Montgomery Parks & Recreation Department in the afternoon. Breakfast and lunch will be served daily. Enrollment is first-come, first-serve.

The COVID-19 pandemic has impacted Montgomery students in significant ways, increasing existing inequities and disrupting learning. Our students need us now more than ever. The MGM LEAPS (Learning and Enrichment Acceleration Program for our Students) program is designed to support local students in their academic and social and emotional recovery from the COVID-19 pandemic. The MGM LEAPS program includes project-based learning centered around two theme-based units on Civil Rights History and the Arts, focusing on key foundational reading and math concepts aligned with Alabama standards.

In the afternoon, students will engage with and participate in a variety of Parks & Recreation programming including archery, horseback riding, swimming, kayaking, performing arts, STEAM activities, gardening, sports, and more.

Program Dates:

- This year's program will run from June 13th through July 15th, Monday-Friday, 8am-5pm.
- The program will be closed July 4th for the 4th of July holiday.

Location:

Floyd Middle School / Houston Hills Community Center

Transportation WILL be provided to and from the program location by Montgomery County Parks & Recreation. Pick up sites will include **Flatwoods, Pine Level, Madison Park and Montgomery County Activity Center.**
