Starbase is a 5 day hands on, minds on STEM exploration program
for current 5th and 6th grade students who have not already attended the program.

ACTIVITIES and classes take place in our state of the art center located on Maxwell Air Force Base and include:

- Coding
- Robotics
- 3D Design and Printing
- Chemistry
- Rockets and so much more!

TRANSPORTATION drop off and pick up will take place at four sites, choose the one most convenient for you!

- Flatwood Community Center
- The Anointed Warrior Hill Church
- Butler Community Center
- Montgomery County Activity Center

SESSION DATES, choose one session that fits your schedule:

- June 13 -17
- June 27 - July 1
