CITY OF MONTGOMERY – 2023 MUNICIPAL ELECTION(S)

CAMPAIGN FINANCE REPORT FORMS

FORM 1: Summary of Contributions and Expenditures

This FCPA form must be signed by the candidate or elected official and notarized.

FORM 2: Contributions

The FCPA requires that cash contributions of more than \$100.00 be itemized. If they choose to do so, candidates may itemize contributions of \$100 or less, but this is not required by law. However, if contributions of \$100 or less are not itemized, the law does require that they be totaled and reported. They may be reported as “non-itemized” contributions on FORM 1. Some type of campaign bookkeeping system should be used to track contributors making small donations of \$100 or less per contribution. If the combined contributions from any one contributor total more than \$100, an itemize entry on FORM 2 is then required.

For purposes of reporting contributions, the date of receipt of a contribution shall be the first date the recipient of the contribution is able to make use of the contribution. In the case of a contribution in the form of a check, the date of the receipt is the earlier of:

- a) ten days from the date that the check came within the recipient’s control: or
- b) 2) the date that the check was deposited into the recipient’s account. [*Code of Alabama 1975, § 17-5-2(a)(3)(c)*].

A political action committee and a principal campaign committee shall maintain a checking account, money market account, or other similar banking account. [*Code of Alabama 1975, § 17-5-6*]

FORM 3: In-kind Contributions

An “in-kind” contribution is made when equipment, furniture, office space, or some other item of value other than money is contributed or used. A reasonable market value should be listed.

FORM 4: Receipts from Other Sources

Receipts from other sources are usually funds received through interest payments on a political committee bank account, loans made to the committee, or refunds.

CITY OF MONTGOMERY – 2023 MUNICIPAL ELECTION(S)

CAMPAIGN FINANCE REPORT **FORMS**

FORM 5: Expenditures

The FCPA requires that expenditures of more than \$100 be itemized. Candidates may itemize expenditures of \$100 or less, but this is not required by law. However, if the expenditures of \$100 or less are not itemized, the law does require that they be totaled and reported. They may be reported as “non-itemized” expenditures on FORM 1. As with contributions, some type of campaign bookkeeping system should be used to track small expenditures. If expenditures to the same vendor total more than \$100, an itemized entry on FORM 5 is then required. For purposes of reporting expenditures, the date an expenditure is made is the date the instrument authorizes the expenditure. In the case of an expenditure made by check or electronic payment, the date of expenditure is the date of the check or electronic payment. {§ 17-5-2(a)(7)(c)} No expenditure of funds may be made by any such committee except by check drawn on such account, electronic transfer from such account, a credit card, the balance of which is paid from such account, or petty cash fund from which it may make expenditures not in excess of \$100 to any person in connection with a single purchase transaction. {§ 17-5-6}

FORM 6: Expenditures On Line of Credit

Committees may utilize a credit card or other line of credit to pay for expenditures, the balance of which must be paid from the committee checking account, money market account, or other similar banking account. {§ 17-5-6} Expenditures paid with a line of credit must be entered on FORM 6. These expenditures will not affect the committee account balance. A debt total must be entered on the applicable line on the ANNUAL REPORT SUMMARY FORM 1A and must be updated to reflect any expenditures online of credit and any payments on the amount owed. Interest charges on the line of credit balance must be entered on this form.
