Abstract: The Montgomery County Archives Area Architectural Drawings Collection consists of blueprints of various structures and developments in the city of Montgomery and Montgomery County, Alabama.

Repository: Montgomery County Archives, Courthouse Annex III, Montgomery, Alabama, 36104, (334)-832-7173

Reference Code: 2014.001

Languages and Scripts: The entire collection is recorded in English.

Scope and Content: This collection consists of eighty-two blueprints of various structures and developments in Montgomery and Montgomery County, Alabama. The blueprints range in date from 1934 to 1988. They cover a wide range of buildings, including churches, hospitals, schools, community centers, libraries, jails, subdivisions, overpasses, right of way maps, public venues like arenas and stadiums, public housing, and more.

System of Arrangement: The blueprints in the collection are numerically arranged. It remains unclear who decided this system of arrangement as they came to the Montgomery County Archives (MCA) already arranged this way.

Location of Originals: MCA.

Physical Characteristics and Technical Requirements: Entirely, paper-based records.

Access Points:

Blueprints
Church buildings
Hospitals
Schools
Community centers
Libraries
Housing development
Elevated highways
Railroad- - Right of way

Conditions Governing Access: Collection is open for research.

Accruals: No further accruals expected.

Acquisition Info: In February 2014, AUM's library donated to the Montgomery County Archives eighty-two blueprints of various structures and developments in Montgomery and Montgomery County, Alabama.

Alternative Forms: None.

Additional Finding Aids: None.

Appraisal Process: The blueprints contained in this collection directly meet the MCA's mission statement to collect records produced by Montgomery County government or about Montgomery County. Accordingly, the MCA acquired the materials from AUM.

Suggested Citation: Title of blueprint, date of blueprint, Montgomery County Archives Area Architectural Drawings Collection, Montgomery County Archives.

Processing Information: In June of 2016 volunteer Emile Richards inventoried the Montgomery County Archives Area Architectural Drawings Collection. MCA archivist Dallas Hanbury then used the completed inventory to construct this finding aid.

Conditions Governing Reproduction and Use: This collection has no copyright restrictions.

Related Materials: Montgomery County Archives Subject Files Collection.

Separated Materials: Before transferring to the MCA, AUM's library removed and retained twenty blueprints from the collection. These blueprints provided information on various buildings on AUM's campus, as well as about the campus itself, including the master property plan, tennis courts, topographic maps, the education building, the physical education complex, Goodwyn Hall, the library, and more. Contact the archives at AUM for more information.
