**RESOLUTION OF THE
MONTGOMERY COUNTY COMMISSION
AUTHORIZING PARTICIPATION BY MONTGOMERY COUNTY
IN REGION 5 UNDER THE ALABAMA STATE PLAN FOR IMPLEMENTATION OF
THE WORKFORCE INNOVATION AND OPPORTUNITY ACT**

WHEREAS, the Workforce Innovation and Opportunity Act (WIOA), Public Law 113-128 is now in effect across the United States including the state of Alabama;

WHEREAS, to date Montgomery County has been part of one sixty-five (65) county area (all Alabama counties except for Jefferson and Mobile) for the purpose of implementing federally funded workforce development programs;

WHEREAS, the State Workforce Development Board has adopted a structure which divides the State of Alabama into seven (7) regions which is designed to give local areas and counties more representation and input in identifying workforce needs and recommendations for solutions regarding workforce development;

WHEREAS, responsibility for implementation of the WIOA within the State of Alabama has now been given to the Alabama Department of Commerce who will assist and support the seven (7) regions and local boards in workforce development efforts;

WHEREAS, under the new structure Montgomery County will be part of a thirteen county region (Region 5) including Autauga, Bullock, Chambers, Coosa, Elmore, Dallas, Lee, Lowndes, Macon, Montgomery, Perry, Russell and Tallapoosa counties; and

WHEREAS, this Commission wishes to endorse, support and approve the structure as described above and enthusiastically participate in Region 5 as well as the local board which shall be constituted to govern Region 5:

NOW THEREFORE BE IT RESOLVED, that this Commission hereby approves the organizational structure as described above and the inclusion of Montgomery County in Region 5 as described above.

BE IT FURTHER RESOLVED, that Chairman Elton N. Dean, Sr., is hereby authorized to execute and deliver such documents and instruments which he may deem necessary, appropriate, desirable, or convenient to consummate the aforementioned structure and transition.

BE IT FURTHER RESOLVED that said Chairman Dean is further authorized to perform any other acts which he deems necessary, appropriate, desirable, or convenient to consummate the aforementioned resolution.

BE IT FURTHER RESOLVED, that any and all other actions previously taken by the aforementioned Chairman Dean which he determined to be necessary, appropriate, desirable or convenient to achieve the intent of this Board as expressed in this Resolution are hereby ratified.

I hereby certify that the above
resolution was adopted by the
Montgomery County Commission,
on this, the 21st day of February, 2017.

Elton N. Dean, Sr., Chairman
Montgomery County Commission

ATTEST:

Donald L. Mims, Administrator

Chief Local Elected Officials Agreement

Request for Initial Designation of

Local Workforce Development Area: Central Alabama Works!

(Name)

The Chairpersons or Presidents of the Coosa, Tallapoosa, Chambers, Autauga, Perry, Elmore, Lee, Dallas, Lowndes, Montgomery, Bullock, Macon, and Russell County Commissions acting on their authority as the Chief Elected Officials, enter into this agreement in accordance with the Workforce Innovation and Opportunity Act (herein referred to as WIOA) § 107(c)(1)(B). The Coosa, Tallapoosa, Chambers, Autauga, Perry, Elmore, Lee, Dallas, Lowndes, Montgomery, Bullock, Macon, and Russell County Commission Chairpersons or Presidents are Chief Elected Officials, as defined in WIOA § 3(9), and enter into this agreement to organize and implement activities pursuant to WIOA and as proposed by the Governor of the State of Alabama for the purpose of administering WIOA in Coosa, Tallapoosa, Chambers, Autauga, Perry, Elmore, Lee, Dallas, Lowndes, Montgomery, Bullock, Macon, and Russell counties.

Part 1 – Designation of the Chief Elected Officials

1. For purposes of administering WIOA and for entering into and implementing agreements in accordance with the Act, the Chief Elected Officials shall be designated from the respective counties in the following manner: The Chairperson or President of the County Commission of each of the following counties: Coosa, Tallapoosa, Chambers, Autauga, Perry, Elmore, Lee, Dallas, Lowndes, Montgomery, Bullock, Macon, and Russell.
2. Non-concurrence between the Counties shall be resolved as expeditiously as possible. Representatives of the thirteen (13) Counties shall meet and confer with one another to resolve issues of non-concurrence. If concurrence cannot be reached within a reasonable amount of time, steps shall be taken towards resolution through the State.

Part 2 – Designation of Grant Recipient and Local Governmental Grant Subrecipient / Incorporated Fiscal Agent

1. The Chief Elected Officials recognize that the Governor has accepted responsibility for WIOA Funds and agree to the appointment of Governor Robert Bentley and subsequent Governor elects (Select One Chief Elected Official) as the Grant Recipient who bears the fiduciary responsibility for these funds with the Alabama Department of Commerce.

2. The Grant Recipient designates the Alabama Department of Commerce to be the local grant subrecipient/fiscal agent to assist the Grant Recipient with the administration of the grant funds.
3. The local grant subrecipient/fiscal agent shall disburse such funds for grant activities at the direction of the local board.
4. The Chief Elected Officials agree that the designated local governmental grant subrecipient/fiscal agent has reliable internal controls for financial management and disbursement of funds.
5. The name of the area is the "Central Alabama Works! Local Workforce Development Area."
6. This Agreement becomes effective upon the concurrent acceptance by the Counties and subsequent signature by the Chief Elected Officials of Coosa, Tallapoosa, Chambers, Autauga, Perry, Elmore, Lee, Dallas, Lowndes, Montgomery, Bullock, Macon, and Russell Counties. This Agreement (including any subsequent amendments) shall stay in effect until such time as: (1) all parties act to rescind the Agreement; or (2) federal or state authority ceases for the Central Alabama Works! Local Workforce Development Area to serve as the local implementation means for job-training programs. Should any of the parties wish to rescind this Agreement, formal action seeking a rescission must be taken at least six months prior to the conclusion of the program year. The effective date of the rescission would then be the close of that program year.
7. No unilateral alteration of this agreement shall be made. Modification to the agreement by any County must be mutually negotiated and all requests to modify the agreement must be presented in writing to the Chief Elected Officials.

Part 3 – Composition of and Designation of Local Workforce Development Board (LWDB)

1. The Chief Elected Officials, as set forth in Part 1.1 above, will establish and appoint a Workforce Development Board (WDB) to assist and carry out provisions of WIOA §§ 107(a) & (b).
2. Every effort will be made to balance the selection geographically throughout the Central Alabama Works! Local Workforce Development Area as well as balance the selection of large and small business, and other related factors to (as accurately as possible) reflect the landscape of the Central Alabama Works! Local Workforce Development Area.

Modification of membership may be completed at any time by the LWDB once established subject to the confirmation and concurrence of the Chief Elected Officials, as set forth in Part 1.1 above.

Part 4 – Designation of One Stop Services and other responsibilities

1. As required by Section 121(a) of WIOA, the Chief Elected Officials in cooperation with the Local Workforce Development Board, shall develop, administer, and approve the appropriate Memoranda of Understanding in establishing no less than one facility known as One Stop Career Center in the Central Alabama Works! Local Workforce Development Area.
2. The Chief Elected Officials shall also:
 - Review and approve the 4-year local plan developed by the local board, as required by WIOA § 108(a);
 - Review and approve actions taken by the board to designate One Stop Career Center Operators as required by WIOA § 121(d)(1);
 - Review and approve monitoring activities by the board as required by WIOA § 121(a)(3);
 - Review and approve the budget of the local board, as required by WIOA § 107(d)(12)(A); and
 - Negotiate and reach agreement on local performance accountability measures with the local board and the Governor as required under WIOA § 107(d)(9).

Part – 5 Financial Liability

In accordance with Section 116, the Workforce Innovation and Opportunity Act (WIOA), CLEOs are responsible on behalf of the counties for WIOA and other directly administered funds expended under the Workforce Innovation and Opportunity Act. However, for the Central Alabama Works! Local Workforce Development Area the Governor for the State of Alabama has accepted that responsibility.

In the event that any expenditure of funds under WIOA is disallowed by the State of Alabama or the United States Department of Labor, the following process will be used.

Attachment 3
Directive No. PY2014-05, Change 02
Central Alabama Works!

- A. The LWDB shall attempt to recover the disallowed expenditure from funds available to subgrantees or vendors causing the disallowance.
- B. The LWDB shall cover the disallowed expenditure from any funds it may have or be able to obtain, which are eligible to be used for the purpose.
- C. If the disallowed expenditure of funds cannot be recovered under A or B above, but are eligible for recoupment in one or more future years, at the absolute discretion of the CLEOs such disallowed expenditure of funds shall be recouped in one or more future years.
- D. If the disallowed expenditure of funds cannot be recovered under A, B, or C above, then liability for repayment of those funds shall be the responsibility of the State of Alabama for the Central Alabama Works! Local Workforce Development Area.

Note:

This agreement shall remain in full force and effect without regard to a change in office of any official who signed this agreement on behalf of a county which is a party to the agreement. Further, a change in office by an official of any such county, due to a rotating assignment such as the President or Chairperson of any particular County Commission or other circumstances, does not require execution of a successor agreement or other administrative action in order to keep this agreement in full force and effect.

Workforce Innovation and Opportunity Act Local Area Designation Policy

Purpose: To provide Local Elected Officials with the State's procedures for the submission of local area designation requests to the Alabama Department of Commerce, Workforce Development Division (WDD) acting on the behalf of the Governor.

Reference: The Workforce Innovation and Opportunity Act, Chapter 2-Local Provisions, Section 106, Local Workforce Development Areas.

Effective Date: This policy is in effect for Program Year 2015 implementation of the Workforce Innovation and Opportunity Act and subsequent redesignation.

Background: The Workforce Innovation and Opportunity Act requires the Governor to designate local workforce investment areas within the state through consultation with the State Board and after consultation with the chief elected officials and comments received through the public comment process as described in Section 102(b)(2)(E)(ii)(II). In making the designation of local areas, the Governor must give considerations, except for those local areas described in Section 106(b)(2), Initial Designation and 106(b)(3), Subsequent Designation, consisting of the extent to which the areas:

- are consistent with labor market areas in the State (Section 106(b)(1)(B)(i));
- are consistent with regional economic development areas in the State (Section 106(b)(1)(B)(ii)); and
- have available the Federal and non-Federal resources necessary to effectively administer activities under subtitle B and other applicable provisions of this Act, including whether the areas have the appropriate education and training providers such as institutions of higher education and area career and technical education schools (Section 106(b)(1)(B)(iii)).

Section 106 of the Act provides for three types of designation: (1) initial designation, (2) subsequent designation, and (3) designation on Recommendation of the State Board. The Governor shall approve requests for initial and subsequent designation submitted by chief elected officials, provided the area under consideration meets the applicable eligibility criteria. Under the third designation type, the Governor may choose to approve such requests from chief elected officials on Recommendation from the State Board.

1. **Initial Designation (Section 106(b)(2)):** During the first two (2) full program years following the date of enactment of this Act, the Governor shall approve a request for initial designation as a local area from any area that was designated as a local area for purposes of the Workforce Investment Act of 1998 for the two-year period preceding the date of enactment of this Act, performed successfully, and sustained fiscal integrity.

A. "The term **"performed successfully,"** as defined in Training and Employment Guidance Letter (TEGL) Number 27-14, dated April 15, 2105 means "that the local area met or exceeded the levels of performance the Governor negotiated with the Local Board and chief elected official, and the local area has not failed any individual measure for the last two (2) consecutive program years before the enactment of WIOA. The terms "met or exceeded" and "failure" must be defined by the Governor in the State's policy consistent with how those terms were defined at the time the performance levels were negotiated. When designating local areas, the Governor may not retroactively apply any higher WIOA threshold to performance negotiated and achieved under WIA." (This means the same measure for two years in a row, not any measure in the two-year period.)

- **Exceeds** – When the actual performance achieved against an individual performance measure is in excess of 100 percent of the negotiated level of performance for the measure (per TEGL 25-13).
- **Met** – When the actual performance achieved against an individual performance measure falls in the range of 80 to 100 percent of the negotiated level of performance for the measure (per TEGL 25-13).
- **Fails** – When the actual performance achieved against an individual performance measure is less than 80 percent of the negotiated level of performance (per TEGL 25-13).

B. "The term **"sustained fiscal integrity,"** per Section 106(e)(2) as used with respect to a local area, means that the Secretary has not made a formal determination, during either of the last two (2) consecutive years preceding the determination regarding such integrity, that either the grant recipient or the administrative entity of the area misexpended funds provided under subtitle B (or, if applicable, Title I of the Workforce Investment Act of 1998 as in effect prior to the effective date of such subtitle B) due to willful disregard of the requirements of the provision involved, gross negligence, or failure to comply with accepted standards of administration."

2. **Subsequent Designation (Section 106(b)(3)):** After the period for which a local area is initially designated per Section 106(b)(2), the Governor shall approve a request for subsequent designation as a local area from such local area, if such area – performed successfully (Section 106(b)(3)(A)); sustained fiscal integrity (Section 106(b)(3)(B)); and in the case of a local area in a planning region, met the requirements described at Section 106(c)(1).
3. **Duration and Subsequent Designation:** An initial designation shall be for a period of not more than two full program years, after which the designation shall be extended, if requested and if the Governor determines that, during the designation period, the area:
 - A. performed successfully;
 - B. sustained fiscal integrity; and
 - C. in the case of a local area in a planning region, met the requirements in Section 106 (c)(1) of the Act.
4. **Designation on Recommendation of State Board and Approval of Governor:** Designation under this category is at the Governor's discretion. The Governor may approve (per Section 106 (b)(4)) a request for a local area designation from any unit of general local government or combination of such units if the State Board recommends to the Governor, taking into account the general considerations previously outlined under the "Background" of this policy, that such area should be so designated from applications submitted through the process described below:

Information on Applying Under the State Board Recommendation and Approval of the Governor (Item Number 4 Above)

Any unit of local government or a combination of such units requesting designation under this category per Section 106(b)(4) must at a minimum address the following as related to the proposed local workforce development area:

1. Name, title, and original signature of Chief Local Elected Official(s) representing the unit(s) of local government filing the petition for WIOA local workforce development area designation with the State Board.

Response: See the CLEO Agreement.

2. Specific indication of the geographic area (Alabama counties) to be served by the proposed local workforce development area.

Response: Coosa, Tallapoosa, Chambers, Autauga, Perry, Elmore, Lee, Dallas, Lowndes, Montgomery, Bullock, Macon, and Russell Counties.

3. Identification of existing education and training providers, such as institutions of higher education and area career and technical education schools within the proposed local workforce development area. Additionally, indicate, for each identified local education agency, the counties primarily served by such agencies.

Response:

4. Indication that the proposed local workforce development area is consistent "...with labor market areas..." means the proposed local workforce development area will not "break-up" an existing labor market area.

Response:

5. Provide assurance that the existing and prospective career employment opportunities and educational/technical educational resources within the proposed local workforce development area will be enhanced.

Response:

6. Indication that public/private transportation resources and transportation arteries within the proposed local workforce development area are sufficient to accommodate the commuting requirements of individuals seeking to obtain educational/technical educational services assistance under the Workforce Innovation and Opportunity Act.

Response:

7. Indication of education leaders, business leaders, and local government officials prepared to actively participate in the conduct of local workforce development board administrative activities related to planning, execution, and management of activities within the proposed local workforce development area.

Response:

8. Indication of the administrative capacity of the proposed local workforce development area to adequately safeguard funds, which it may be awarded, and to conduct workforce development activities, pending the finalization of such designation.

Response:

9. Indication of the available Federal and non-Federal resources necessary to effectively administer activities under Subtitle B and other applicable provisions of the Act. Resources beyond the ten (10) percent allowed for administrative expenditures allotted to local areas.

Response:

10. Indication that the proposed local workforce development area is "consistent with the regional economic development areas in the state."

Response:

11. The local area plans to adhere to the restriction on the local board not directly providing training services, or being certified as a One-Stop Operator. If plans include requesting a waiver or the necessary approvals to perform these functions, an outline is needed for the basis of making either request.

Response:

12. Any endorsements or opposing statements to this application from WIOA required partners or other interested parties.

Response:

13. Other information the applicant would like the State Board to consider.

Response:

Duration

Duration is at the recommendation of the State Board and the discretion of the Governor. Initial designation under this category shall be for a period of not more than two years, which is consistent with other types of designation.

Assessment of the Application

Once a completed application is received, the State Board, in collaboration with the appropriate staff from the Workforce Development Division (WDD), will verify the information provided in the application. The State Board will use the results of this assessment to determine whether to recommend approval or denial of the application.

The Local Chief Elected Official will be notified in writing regarding the approval or denial of its initial designation application. If denied, the Local Chief Elected Official may contest the decision using the appeal process below.

State Appeals Process

WIOA Section 106(b)(5) states that a unit of general local government (including a combination of such units) or grant recipient that requests but is not granted designation as a local area under WIOA Section 106(b)(2) (initial designation) or Section 106(b)(3) (subsequent designation) may submit an appeal to the State Board under an appeal process established in the State Plan. If the appeal does not result in such a designation, the appeal may be submitted to the Secretary of Labor. A decision by the State Board and Governor to deny a request from a unit of general local government or a combination of such units, that does not meet the criteria for initial designation, under Section 106(b)(2), or for subsequent designation, under Section 106(b)(3), e.g. a request to be designated per "Designation on Recommendation of State Board and Approval of Governor" per Section 106(b)(4), is not appealable.

- Within ten working days of providing notice of their intent to file an appeal, the appellant must submit their rebuttal package stating the grounds for the appeal and state the reasons why the appellant should be initially designated via certified mail to the Alabama Department of Commerce, Workforce Development Division, State Workforce Development Board, Post Office Box 304103, Montgomery, Alabama 36130-4103. This rebuttal package should address all issues raised or questions asked by the State Board in rendering their decision and indicate if a formal hearing is requested. The appellant may be asked to provide additional information/documentation.

- The WDD staff will work in conjunction with the State Board to expedite review of a designation appeal and to schedule a formal hearing, if requested, before the State Board. Efforts will be made by WDD staff to enable Board members to review the appeal informally, i.e., via e-mail or mail outs, or, if the situation warrants, the Board may be convened by the Governor in advance of a scheduled meeting date in order that the appeal might be heard.
- The goal is for any appeal to be resolved within 30 days of the filing of such appeal with the Board, through the WDD (Alabama Department of Commerce).
- If the appeal to the State Board does not result in designation, the appellant, if appealing an initial designation under WIOA Section 106(b)(2) or subsequent designation under Section 106(b)(3), may request review by the Secretary of Labor. An appeal to the Secretary must be submitted by the appellant or grant recipient no later than 30 days after receipt of written notification from the State Board that the appeal has been denied. Appeals must be submitted by certified mail, return receipt requested, to the Secretary, U.S. Department of Labor, Washington, DC 20210, Attention: Assistant Secretary, Employment and Training Administration. A copy of the appeal must be simultaneously provided to the State Board.
- If the Secretary determines that the appellant was not accorded procedural rights under the appeal process established under the above section, or that the area meets the requirements for initial or subsequent designation in WIOA Section 106(b)(2) or 106(b)(3), the Secretary may require that the area be designated as a workforce development area. The Secretary must issue a written decision to the Governor.

Regional Planning and Cooperation

Pursuant to Section 106(a) Regions – Before the second full program year after the date of enactment of the Act (July 22, 2014), in order for a State to receive an allotment under Section 127(b) or 132(b) and as part of the process for developing the State Plan, a State shall identify regions in the State after consultation with the local boards and chief elected officials in the local areas and consistent with the considerations described in Section 106(b)(1)(B).

Additionally, the State may require information sharing among local areas to improve their performance in the designated regions on local performance measures and to coordinate programs and activities under WIOA Title I. The State may also require regional coordination in service delivery.

AGENDA

FEB 21 2017

January 31, 2017

MEMORANDUM

TO: Donald L. Mims, County Administrator

FROM: George C. Speake, County Engineer

George C. Speake
1/31/2017

SUBJECT: Alabama Transportation Rehabilitation and Improvement Program (ATRIP-2)

Please place the attached resolution on the agenda for the next regular meeting of the Montgomery County Commission for their adoption and approval. The Association of County Commissions of Alabama (ACCA) has requested that counties adopt a formal resolution in support of the ATRIP-2 Bond Issue proposal which would generate \$1.2 billion for 67 counties to be spent on road and bridge improvements. Montgomery County would receive \$38.8 million of these funds which could be used to resurface about 220 miles of roads in Montgomery County. For more specific information about this program, I have included a "Discussion Proposal" that was provided to us by ACCA.

RESOLUTION IN SUPPORT OF ATRIP-2 BOND ISSUE

WHEREAS, Governor Robert Bentley unveiled the Alabama Transportation Rehabilitation and Improvement Program ("ATRIP") in 2012 as a bold infrastructure initiative to improve Alabama's rapidly deteriorating road and bridge infrastructure, and to generate a positive economic impact and safety improvements for the entire state, and;

WHEREAS, the final deadline for all ATRIP projects is quickly approaching, and county commissioners and engineers from all corners of the state fear the momentum generated from the hundreds of road projects completed under the program will come to a rapid halt, and;

WHEREAS, the Association of County Commissions of Alabama recently proposed a statewide three-cent bond issue at its 2017 Legislative Conference, whose revenue would be dedicated to improving Alabama's declining road and bridge infrastructure, and the aforementioned proposal received the unanimous support of all 53 counties in attendance at the conference, and;

WHEREAS, a three-cent bond issue would generate over \$1.2 billion for Alabama's 67 counties to be exclusively spent on road and bridge improvements, and would fund over 12,300 miles of road resurfacing projects and 450 new bridge structures across Alabama for a statewide economic impact of over \$6 billion, and;

WHEREAS, under the terms of the bond issue, the Montgomery County Commission would receive \$38.8 million for road and bridge improvements that would fund approximately 486 miles of resurfaced roads within the county, and;

WHEREAS, it is estimated that a three-cent bond issue would cost the average Montgomery County driver less than \$2.00 per month, but would produce a county economic impact of over \$194 million in the form of new jobs, safety improvements, lower vehicle maintenance costs, and other economic development opportunities, and;

WHEREAS, the primary function of the Montgomery County Commission is to provide for the safety, economic growth, and highest possible quality of life for the citizens of this county, and the members of the Montgomery County Commission believe this proposal would have a monumental impact for the residents of the county, and;

NOW, THEREFORE, BE IT RESOLVED BY THE MONTGOMERY COUNTY COMMISSION that it does hereby voice its public support for the three-cent ATRIP-2 bond issue proposed by the Association of County Commissions of Alabama as priority legislation for the 2017 regular legislative session.

BE IT FURTHER RESOLVED that a copy of this Resolution be forwarded to the Governor, the Lieutenant Governor, the Speaker of the House of Representatives, and the chairs of the Senate and House Rules Committee.

IN WITNESS WHEREOF, the Montgomery County Commission has caused this Resolution to be executed in its name on this the ____ day of _____, 2017.

Discussion Proposal

Increase the statewide gasoline and diesel fuel tax by 3-cents per gallon effective July 1, 2017 and levy an increase in tag fees for those vehicles that utilize alternative fuels. The legislation would utilize the resulting gas and diesel fuel revenue for the debt service for the ATRIP-2 Bond Issue. Tag fee revenue would be divided among ALDOT, counties and cities.

ATRIP-2 Bond Issue -- \$1.2 Billion (approximately \$100 million in annual debt service)

--Total of \$1.2 billion in bonds would likely be in two issuances to take advantage of savings and shorten the repayment schedule.

--Bonds will be issued by a "cooperative district" composed of each of the 67 county commissions. The proceeds of the 3-cent increase in gasoline and diesel fuel taxes will be pledged to repay the bonds.

--Bond proceeds would be divided among the counties using the gasoline tax formula.

--Twenty (20) percent of the revenue allocated to each county would be spent within municipalities within the particular county.

--County projects would be let at the county level using the Low-Volume Road Standards for those roads with less than 2,500 vehicles per day and using ALDOT standards for roads with higher traffic counts.

--Municipalities would either let contracts themselves, utilizing the ALDOT standards, or would combine projects with the county commission and let the contracts through the county's process.

--A portion of the bond proceeds, not to exceed 20 percent of any local government's allocation, could be utilized for matching federal funds, should such funding be available.

--The revenue to fund the bond service would sunset on June 30 following the repayment of the bonds. An extra allocation will be made, following the repayment of bond proceeds, to ensure that all counties receive a minimum of \$10 million.

--Following this extra allocation, any remaining revenue will be distributed using the same formula for bond proceeds.

--The restrictions on the use of the revenue, development of annual plans and transparency from SB 180 are included in this bond issue.

MONTGOMERY COUNTY REPORT

What a Difference 3 Pennies Make

Inflation has presented a massive challenge for the maintenance and improvement of Alabama's county road and bridge systems. Today's construction costs are 150% higher than they were 20 years ago.

\$4,480
To Replace One Linear
Foot of Bridge

\$80,000
To Resurface One
Road Mile

A modest gas tax increase of just three-cents per gallon - less than \$1.50 per month from each Alabama driver - would have a monumental impact on Montgomery County's transportation infrastructure.

Consider this...

A gas tax increase of three-cents per gallon would yield Montgomery County an additional...

\$ 38,844,014.61 *for local road and bridge improvements.*

*Montgomery County leaders anticipate 100% utilization of these funds towards roads.

\$38.84 million in
new revenue would
be used to
maintain, improve
and resurface
ROADS

486
Additional Miles of
Resurfaced Roads

The infrastructure improvements generated from a modest gas tax increase would greatly improve the quality of life for Montgomery County's 226,519 citizens. Over a 10 year period, it is estimated that local residents would see over

\$194 million in benefits

as a result of this new investment in the form of decreased traffic delays, new jobs, and more local economic growth.

Montgomery County Commission
P.O. Box 1667
Montgomery, AL 36102-1667

RE: REAPPOINTMENT OF MR. DAVID LIVINGSTON

Dear Mr. Mims,

In December of 2016, the Montgomery County Commission appointed Mr. David Livingston to the Pike Road Volunteer Fire Protection Authority (PRVFPA) Board of Directors. He was unanimously recommended by the existing Board of Directors at the time to fill the position left vacant by Mr. Jack Jackson. As has been stated previously, Mr. Livingston is a resident of the fire district and has been a distinguished member of the PRVFPA for 30 years. Mr. Livingston was appointed to the Board by the Commission in November of 2016 and was elected to the Treasurer's position during our January 2017 meeting.

Also during the January meeting, since Mr. Livingston was appointed to fill the remainder of Mr. Jackson's term, which ends in March, the Board of Directors voted unanimously to recommend to the Commission that Mr. Livingston be reappointed for a full term.

Therefore, please accept this letter as both recommendation and endorsement of Mr. David Livingston for appointment to a full term on the PRVFPA Board of Directors beginning in March of 2017. If you have any questions or need any further information, please do not hesitate to contact Chief Missildine or myself.

Thank you for your consideration of the Board's recommendation.

Sincerely,

Angie Bradsher, Chairman

Alabama Recycling Fund Grant Application

Applicant Information

Lead Applicant Name/Entity City of Montgomery, Alabama		Regional Planning Commission Central Alabama Regional Planning
Physical Address 101 South Lawrence St	City Montgomery	County Montgomery

Contact Information

Contact Person Donnie Mims		Email Address
Governmental Body or Agency Name Montgomery County, AL		Federal Employer ID Number (FEIN) 63-6001653
Mailing Address P.O. Box 1667	City, State Montgomery, AL	Zip Code 36102-1667
Telephone Number 334.832.1210	Fax Number	

Project Costs

Total Estimated Cost of Project \$3,500,000.00	Grant Amount Requested \$ 350,000.00
---	---

General Project Information

Estimated quantity of material to be recycled or reused	27,000 tons
Estimate of how much of this amount will be from out-of-state	none
What types of materials will be recycled?	Paper, cardboard, plastics, tin, steel cans, aluminum
When will the proposed project be fully implemented?	By end of 2017
How many households are in the area covered by this project?	81,000
When was your local Solid Waste Management Plan (SWMP) approved?	Oct 2015
Is the proposed project consistent with the approved SWMP?	yes
What existing recycling efforts exist in your solid waste jurisdiction?	Some private companies
What is the estimated participation rate in recycling in the area?	Voluntary, participation not known
What types of materials are currently recycled in your area?	Paper, plastics, aluminum
Does the proposal include public education/outreach activities?	yes
Does the project require advance funds?	no
Does the project area have solid waste collection service?	yes
If so, how many households are served?	70,000
Is this application a regional project with more than one applicant?	yes
If so, who is/are the other jurisdiction(s)?	City of Montgomery, AL

Project Description *(Include project costs, revenues, list of and markets for anticipated recycled materials, any public education and outreach efforts, and any interaction with existing solid waste management and/or recycling infrastructure. If needed, please include additional pages or attachments.)*

Please see attached

[illegible]

Is the applicant(s) a member of the Alabama Recycling Coalition?	
Is the applicant(s) a member of the Southeast Recycling Development Council?	

This application is made for the activities described herein. I certify that I am familiar with the information contained in the application, have authority to enter into agreements on behalf of the applicant(s), and, do hereby certify to the best of my knowledge and belief, this information is true, complete, and accurate.

Montgomery, AL 36130-1463

Project Description:

The City and County Of Montgomery, Alabama each request the award of an Alabama Recycling Grant for \$350,000.00 for a total of \$700,000.00 to be used for the purchase of single stream recycling dedicated RFID equipped carts. The Recycling Partnership is providing \$50,000.00 for public education as part of the project.

The City and County of Montgomery, Alabama, partnering with Pratt Industries, plans to use the former IREP dirty MRF facility as single stream, cart-based collection center for harvesting recyclable materials.

The dirty MRF was unable to produce the volume of acceptable recycling material necessary to sustain operations. It closed and left the new facility vacant. Since its closure, the Montgomery City and County have not been able to offer their citizens opportunities for recycling. Moving to household carts designated for recycling only in addition to the customers cart for solid waste disposal will greatly increase the amount of recyclables harvested and decrease the amount of material put in landfill. The pickup of household recyclables will be handled by the existing Montgomery City Sanitation Department.

The costs associated with this project are primarily the cost of purchasing the carts designated for recycling materials. These will be of the same size in order to utilize existing trucks owned by the City Sanitation department. They will be of a different color and marked as 'Recycling Only', plus have a permanent label on the inside of lid showing materials suitable for placing in the container and equipped with an RFID chip to monitor use by the homeowner for documenting success of the program. The total expense of these carts is \$3,500,000. This is based on the current number of occupied households. Since these will be compatible with the current truck stock used by the City and County waste management contractors, no funds are anticipated to be required for new vehicles.

The revenues associated with this project is based on IREP figures for selling materials and estimates of volumes anticipated by the more effective single stream process. Based on the national average that 34% of household solid waste materials is recyclable (although much more actually is, people on average recycle about 34% of refuse); and that currently the City Sanitation harvests 75,000- 80,000 T; with 100% of our households recycling could produce 27,200 T recyclables.

Materials to be recycled are: corrugated cardboard, mixed papers plastics (PET, HDPE natural, HDPE colored, Mixed plastic, Polypropylene, mixed rigids and film), tin and steel cans, aluminum. Revenue reported on IREP's August 2015 records documented a total of 44,390 tons (collected since May 16 start-up. Subtracting the 19,380 of organics leaves 25,010 T; adjusting for the 27,200 T anticipated for the first year of single stream operation, a revenue of \$3,193,743 is projected for first year of operation. Currently there are no contracts in place with any purchasers of recycling material and these commodity prices fluctuate. These figures are based on commodity prices from August 2015 (IREP spreadsheet attached).

Public education can make a huge difference to amount of recyclables harvested. Literature from the Recycling Partnership (2016 publication) illustrates the most effective programs use the single-stream, dedicated recycling cart, home pick-up automatically collected, and combined with engaged local governments and informed, educated citizens. This combination produced over 95% participation in a study of over 400 U.S. cities. (Article attached) The City of Montgomery has long included a Clean City

Department and has staffed that department with dedicated folks enthusiastic about recycling. This includes clean-ups and a public education campaign. In addition, the Recycling Partnership is giving the Montgomery Team a \$50,000 grant for public education. Request that both the City and the County of Montgomery, Alabama be awarded \$350,000.00 each for a total of \$700,000.00 to be used for the purchase of RFID equipped recycling carts.

I. Introduction

A Solid Waste Management Plan (SWMP) is required of local governments by the Alabama Department of Environmental Management (ADEM) to plan for the collection and disposal of solid waste generated within its boundaries. A SWMP was last developed for Montgomery County in 2005, which addressed the solid waste needs for Montgomery County until 2015. This plan will serve as an update to the 2005 plan by analyzing the previous recommendations and providing suggested alternatives to serve the solid waste needs of Montgomery County.

The goal of this Solid Waste Management Plan is to aid Montgomery County, its municipalities, and ADEM in providing for the collection and disposal of solid waste generated within the county. The plan is meant to provide an overview of current waste volumes and characteristics, as well as to project the future solid waste needs of the county. In addition, the plan is intended to offer alternatives and recommendations for the county to implement in order to efficiently and economically meet their needs. Section X of this plan offers recommendations for Montgomery County to meet the needs set forth in this plan. The plan will serve Montgomery County for a 10-year period from 2015 to 2025. As required by Alabama Law, the Montgomery County Commission will pass a resolution to accept this plan. This updated Plan will expire ten (10) years from the approval date of the resolution included in Appendix E.

Montgomery County is located in central Alabama. It is bounded by Elmore County to the north, Macon County and Bullock County to the east, Pike County to the southeast, Crenshaw County to the southwest, Lowndes County to the southwest, and Autauga County to the northwest. Montgomery County is composed of two municipalities and one county government. The City of Montgomery and the Town of Pike Road are the only municipalities within Montgomery County. Most of the county is in a sparsely populated, rural area. The City of Montgomery opted out of the Montgomery County Solid Waste Management Plan (SWMP). The City of Montgomery elected to opt out of being included in this SWMP. The opt-out letter can be found in Appendix F. The remainder of this report will not include any data in relation to the City of Montgomery. This SWMP solely represents the Town of Pike Road and Rural Montgomery County. The population totals for Montgomery County will omit the population and projected population of the City of Montgomery. The Town of Pike Road has experienced a significant increase in population in recent years. To more accurately project the population increases for the Town of Pike Road, the author contacted The University of Alabama's Center for Business and Economic Research directly. Goodwyn, Mills and Cawood contracted The University of Alabama's Center for Business and Economic Research to calculate population projections of the city of Montgomery and The Town of Pike Road.

According to the 2010 US Census, the population of Montgomery County is 23,599 people. This is an approximately 12.23% increase from the 2000 US Census figure of 21,027 people. Of the 2010 figure, approximately 70.30%, or 18,193 people, live outside of the Pike Road Municipality. According to the 2010 US Census, populations of Pike Road is 5,406.

VII. Recycling

Section 22-27-47(b)(4): Provide a description of current or planned recycling programs and an analysis of their impact on waste generated within the jurisdiction. Particularly regarding recycling, the plan shall describe and evaluate:

- a. Potential benefits of recycling, including the potential solid waste reduction and the avoided cost of municipal waste processing or disposal.*
- b. Existing materials recovery operations and the kind and weight or volume of materials recycled by the operations, whether public or private.*
- c. The compatibility of recycling with other waste processing or disposal methods used in the jurisdiction including methods of collecting recyclables.*
- d. Options for cooperation or agreement with other jurisdictions for the collection, processing and sale of recyclable materials.*

Recycling is an important step in developing an effective solid waste management plan for a community. Recycling programs can eliminate 25% to 50% of the waste generated by a community. Programs can consist of collection of materials for reuse, as well as composting of yard wastes. It is estimated that approximately 20% of the solid waste from a community is made up of yard wastes. Other recyclable wastes including plastics, paper and cardboard must be collected and transported to a facility capable of recycling the materials.

Recycling can be accomplished both at the source and at the point of disposal. Collection programs can be established to pick up recyclables at each residence, business, and institution with the resident having the responsibility to separate the items from other waste. Recycling centers can also be set up at one or more locations in the county, providing a location where recyclable wastes can be brought. In addition, recycling containers can be set up at all transfer stations and landfills to allow customers bringing wastes to these locations to participate in the program.

In addition to providing collection services, educational tools can be utilized to promote recycling activities. Local schools can be used to educate children on the importance of recycling for the protection of the environment. Public education methods can also be utilized by the county and local municipalities.

There are currently recycling programs in Montgomery County. As noted in the 2005 Plan, Alabama Act 89-824 recommends that each county must develop a recycling plan to reduce waste volume by 25%. In order to meet the 25% goal, Montgomery County must implement a county-wide plan and encourage participation by all local municipalities. A proposed plan of action for reaching this goal is described in Section VIII of this report.

VIII. Proposed Alternatives

In compiling a Solid Waste Management Plan for Montgomery County, it is important to evaluate alternatives in order to ensure the county has the proper plans in place to adequately serve its residents' solid waste needs. Alternatives must be evaluated for solid waste collection, disposal, and recycling programs. An analysis must be made of the current system to determine any deficiencies and areas where the county can seek to improve. Several factors must be taken into account including the county's anticipated growth, their ability to meet current and future regulatory requirements, and their ability to provide quality service to the residents at affordable rates.

The first area that was analyzed was the collection of solid waste within the county. Currently, Advanced Disposal collects the majority of solid waste generated within Montgomery County and the Town of Pike Road on a contract basis. Advanced Disposal charges the county \$44.13 per quarter for collection from residences within the county and charges the Town of Pike Road \$43.83 per quarter for collection from residents within the town. Waste volumes collected from these commercial businesses were not reported; therefore, will not be considered in this plan.

One alternative for the collection of solid waste would be for the county and municipality to collect waste at all residences and businesses. In order to accomplish this, a county-wide Solid Waste Authority would need to be established to oversee the collection services and aid the municipalities in all management aspects. Costs of the collection system would depend greatly on the location of the disposal facility. There is currently a transfer station within the county that helps to shorten haul distances for the individual trucks. This alternative would have the advantage of giving control of the system to the county and local governments for cost and quality control. One disadvantage to this alternative is the required initial investment to start the collection system.

A second alternative for collection of solid waste is to continue to contract with a private company. The Town of Pike Road's contract with Advanced Disposal ends May 31, 2018. The Montgomery County's contract with Advanced Disposal ends June 30, 2018. The county and municipalities can choose to continue with the same company or solicit bids from other companies for the services. An advantage to this alternative is that it puts the responsibility of operating the system including maintaining equipment and personnel on the private company. A disadvantage to this alternative is that it does not give the local governments control over the quality of service and costs to the residents.

The second area analyzed was the disposal location of solid waste generated from the county. Currently, all municipal solid waste generated in Montgomery County is transported to the Central Alabama Transfer Station and then disposed of at the Stone's Throw Landfill. This section excludes the North Montgomery Landfill as a recipient of MSW due to The City of Montgomery being the main contributor of MSW at this location. Although the residents of Montgomery County are not directly charged a tipping fee for disposal of waste, the cost is factored in to the fees paid for collection.

A second alternative to solid waste disposal is to continue utilizing the existing collection and disposal system. The county could continue to contract the collection through a private company and allow that company to dispose of the waste at an approved landfill site of their choosing. Currently, collection and disposal of the majority of waste in Montgomery County is handled by Advanced Disposal. The problem that exists with this alternative is that the private company contracted would be a for-profit organization. This could cause the price per customer to be higher than that of a county operated system. In addition, the county would not have as much control as they would when operating their own collection and disposal system.

Montgomery County currently generates approximately 11,908 tons per year of municipal solid waste. Projections show the county's waste increasing to 21,028 tons per year by the year 2025. Given these figures, it is currently more economical for Montgomery County to contract with a private company

for solid waste disposal. The possibility of a landfill facility in Montgomery County should be reevaluated if there is a dramatic increase in waste generated or if other counties express interest in participating in the project.

The third area that was analyzed was the recycling program for Montgomery County. Currently, the Montgomery County Commission and Advanced Disposal offer free trash drop-off sites throughout the county on the last Saturday of the month. The Town of Pike Road has a recycling drop-off center located on the south side of Veterans Park (4902 Pike Road). Advertisement of these drop-off locations may further encourage citizens to utilize this recycling program. An increase in recycled solid waste would decrease the waste that is currently disposed of in landfills and could ultimately decrease collection and disposal costs. Well established recycling programs can eliminate up to 50% of solid waste that would otherwise occupy landfill space.

One alternative for recycling in Montgomery County is to establish a county-wide recycling program. The county would hire a recycling director and staff to collect, separate and transport the material to the appropriate recycling centers. The county would purchase portable containers to be placed throughout the county for use by all residents. In addition, a building would be needed to provide a central location for handling of all recyclable materials.

Montgomery County should set a goal to recycle approximately 25% of the total solid waste generated annually by the county to meet the requirements established by the State. Based on the solid waste generated in Montgomery County in 2014, approximately 2,977 tons of solid waste would need to be recycled in order to meet this goal. This goal could be easily obtained if the recycling program is established as planned. In order to fully implement a successful recycling program, the county must work with all municipalities to educate the public of its importance and provide convenient methods for public participation.

The proposed recycling program would need to be implemented in phases by the county over a 3 to 5 year period. The county could start the program at a basic level and add locations and methods of collection each year. One possibility for the county is to start the program by contracting with a private company who would collect the materials at various points throughout the county and transport them to the appropriate recycling centers.

A second alternative for recycling is to implement a system of composting. As mentioned in Section VII, yard wastes can account for as much as 20% of a community's total solid waste. By committing a portion of the total yard waste to recycling, Montgomery County could easily reach the 25% goal. Composting can be achieved both on an individual and community-wide basis. Citizens and business owners can create small composts to handle grass clippings, leaves and small limbs. The county or municipalities can create more large-scale composts to be used by the citizens and city departments. Yard wastes and tree debris could be collected by the municipalities or county, or it could be transported to the compost site by the public. The compost material would result in a dramatic landfill area savings and could ultimately be sold by the county.

A third alternative for recycling is to partner with the City of Montgomery and the Infinitus Renewable Energy Park recycling center. The 81,992-square-foot recycling facility represents a \$35 million capital investment by Infinitus Energy and is the most advanced recycling facility in the country, according to Bulk Handling Systems, which installed the system. The facility is expected to recycle 75% - 85% of materials it receives, this will help the county achieve the 25% recycling goal set under this plan. Montgomery County could also modify the next solid waste collection services contract, which expires June 30, 2018, to require 25% of the solid waste collected to be disposed of at the Infinitus recycling center.

IX. Economic Considerations

In order for Montgomery County to choose the best alternatives for solid waste collection and disposal, all economic aspects must be considered. The county must work to provide the best possible service for all residents at affordable rates. As a part of this solid waste plan, economic factors are evaluated for collection, disposal, and recycling of solid waste. These factors, coupled with the environmental considerations noted throughout the report will form a composite basis for determining which options the county should pursue.

The first economic consideration is for the collection of solid waste in the county. Presently, the county and municipalities spend approximately \$268,400.00 per quarter for weekly house-to-house pick up of the 6,101 households within the county. In order for the county to implement a collection service, estimates would need to be made for the required equipment, personnel, and management. Coordination would be required with each municipality to determine how collection in these areas would be handled. Due to the complexity of the issue, no cost estimates for a collection system were made as a part of this report. The county, however, should further explore this option and determine if it would benefit the residents economically.

The second economic consideration is for disposal of all solid waste. Currently, tipping fees are calculated into the amount that residents pay for solid waste collection. The cost per household for the construction of a regional landfill would depend greatly on the number of other counties participating in the landfill.

The third economic consideration is for a recycling program in Montgomery County. Recent data showed pricing for materials as \$70-\$80/ton for cardboard, \$70-\$80/ton for newspapers, \$100-\$110/ton for magazines, \$0.60/lb for aluminum, and \$35/ton for clear glass. To reach the 25% goal for recycling, the county would need to recycle approximately 2,977 tons per year. It is estimated that of that 2,977 tons, 40% or 1,190 tons would be yard waste, 30% or 893 tons would be cardboard, 15% or 447 tons would be newspapers, 3% or 89 tons would be magazines, and the remaining 12% or 357 tons would be glass and plastic.

X. Conclusions and Recommendations

Montgomery County currently generates approximately 11,908 tons per year of solid waste. For design purposes, a value of 34,500 tons per year can be expected for the next 10-year period. The majority of all solid waste generated in the county is collected and disposed of by Advanced Disposal on a contract basis. The total cost of collection and disposal for all solid waste in Montgomery County is approximately \$268,400.00 per quarter for weekly house-to-house pick up. Solid waste is disposed of in the Stone's Throw Landfill located in Washington County, Alabama.

Three aspects of the solid waste system were evaluated as a part of this plan. First, solid waste collection alternatives were presented including maintaining the current system with private collection, and providing collection by the county or local municipality. Second, disposal alternatives were also discussed including utilizing private landfills and the possible construction of a regional landfill. Finally, recycling programs were analyzed and suggestions made to implement increased recycling and public education.

XI. Guidelines for Local Approval of New or Expanded Facilities

Section 22-27-47(b)(8): Provide for the development or expansion of solid waste management systems in a manner that is consistent with the needs of the area, taking into account planning, zoning, population and development estimates, and economics of the jurisdiction and the protection of air, water, land and other natural resources.

The Montgomery County Commission, as well as leaders from all municipalities within the county must evaluate the alternatives for solid waste collection, disposal and recycling and determine the best course of action to take over the next ten-year period. Several key factors must be used as guidelines for the leaders to use in making their determinations.

In evaluating alternatives for new or expanded facilities, including a county operated landfill and a recycling center, the commission must determine if the needs set forth in the Solid Waste Management Plan have been addressed. New or expanded facilities must be sized according to current and projected waste volumes to ensure they will economically meet the county's needs over the ten-year period. In analyzing alternatives for collection of waste, the county must evaluate the existing conditions including cost per customer and level of service in order to determine if changes should be made. Any proposed changes to the existing system must be consistent with the plan adopted by the county and municipalities.

In locating potential sites for solid waste facilities within the county, the commission must evaluate all existing and planned development and infrastructure. The commission should work closely with other agencies including any industrial development boards and regional planning agencies to determine if other development has been planned in or around potential sites. Potential sites must also be evaluated for their proximity to existing industries that generate large volumes of waste.

Prior to determining the location of new sites, the commission must reevaluate these figures as well as determine any areas that are proposed for the development of industries. The commission should also consider the location of existing and proposed major transportation routes in locating the sites. Coordination should be made with local, state and federal transportation authorities to determine any potential conflicts and proposed routes.

Prior to constructing new facilities including a landfill, transfer station or recycling center, the commission must evaluate the potential impacts on the surrounding public health, public safety and the environment. The county must work closely with ADEM and EPA to determine the guidelines for construction and operating such facilities. Costs for providing for these services should be included in the overall budgeting of new facilities to ensure sufficient funding is in place. Once a potential site is located, environmental impact studies should be performed to determine the possible impacts the facility will have. As a part of these studies, social and economic impacts of the proposed facility should also be evaluated. The proposed location should be found to have minimal impacts on the surrounding property values and social perception.

State and Federal Regulations regarding the siting, design, construction and operation of solid waste processing and disposal facilities are in place to protect air, water and natural resources. These Regulations which safeguard against health, safety and environmental concerns involve:

- Buffer zones
- Minimum separation from groundwater
- Storm water run-on/run-off
- Liners, if applicable
- Leachate collection systems, if applicable
- Gas monitoring systems, if applicable

- Daily cover of solid waste

Planning and Zoning is the principal means for the county to guide its future growth and achieve a logical pattern of land use and development for the county. Some of the generally accepted specific objectives of Planning and Zoning are:

- To conserve the taxable value of land and buildings. To prevent overcrowding of land and buildings.
- To control pollution, noise, dust, smoke, vibration, odor, flashes of light or danger of explosion.
- To lessen or avoid congestion in the public streets.
- To promote the public health, safety, comfort, morals, and general welfare of the public and the community.

The Planning and Zoning Department or Commission typically ensures that all new development meets specific guidelines and requirements related to the adequacy of roads, parking, traffic flow, setbacks, drainage, utilities, etc. Any proposed solid waste transfer stations, disposal facilities or processing facilities shall also be located in areas that are appropriately zoned for each type of facility.

The entire nation has been significantly affected by an economic downturn over the past several years. While slight economic growth is starting to occur, it is not expected to increase to the extent that it would significantly impact solid waste management systems and remaining disposal capacities in the area during the life of this SWMP.

A solid waste facility or recycling facility will require certain public services as a minimum. Water service is vital for fire protection, sanitation, and housekeeping. Water service can be public water system extensions or on-site wells. Sewage treatment facilities close at hand is convenient for leachate and wash down water treatment as well as sanitation treatment. If these are not close by, then liquid wastes will need to be captured and hauled to the facilities or sewer extensions constructed. Alternatively, on site treatment can be considered.

Even considering the information presented above, unforeseen circumstances during the next ten years may lead to the need for additional solid waste disposal or processing facilities in the county due to increased population or commercial development. The county may also wish to consider locating additional solid waste processing or disposal facilities within its jurisdiction due to host government benefits (i.e. fees, taxes, etc.) that would be received from these types of Facilities.

XII. Public Participation

Montgomery County must seek to involve the public in the approval of this Solid Waste Management Plan. A copy of the draft plan was made available at the Commission's office for public review. There was a 30 day review period where public comment regarding the plan was accepted. A public hearing was set for (pending approval of plan) and held in the Montgomery County Administration Building. A copy of the draft plan was also sent to all municipalities within the county for their review and comments. All information received from the municipalities was evaluated by Goodwyn, Mills and Cawood, and incorporated into the final plan. The municipalities will be encouraged to pass a resolution in support of the plan and adhere to the recommendations in any future changes in handling their solid waste.

The public should also be involved in any changes to the existing solid waste management and collection system including collection contracts, siting of landfills, and proposed changes in recycling. One possible way this can be accomplished is by the development of a Citizens Solid Waste Advisory Committee. Although the ultimate decision to make changes to the system would remain with the Montgomery County Commission, the advisory committee would be allowed to make recommendations and aid the county in evaluating alternatives. The committee would be made up of citizens from all municipalities and rural areas within the county. The committee would be responsible for organizing additional public hearings and should be made aware of all proceedings before changes are made.

XIII. RCRA Subtitle D Requirements

Section 22-27-47(b)(5): Address the requirements proposed under Subtitle D of the federal Resource Conservation and Recovery Act, 42 U.S. C. Section 6941 as amended and identify and explain those actions the jurisdiction should take to assure proper management of its wastes under these requirements.

The Resource Conservation and Recovery Act (RCRA), an amendment to the Solid Waste Disposal Act, is the principal federal law in the United States governing the disposal of solid waste and hazardous waste. RCRA was enacted in 1976 to:

- Protect human health and the environment from the potential hazards of waste disposal;
- Conserve energy and natural resources;
- Reduce the amount of waste generated; and
- Ensure that wastes are managed in an environmentally sound manner.

Enacted in 1984, the Subtitle D amendment to RCRA deals with nonhazardous solid waste management and designates the state and local governments as the primary planning, permitting, regulating, implementing, and enforcement agencies for the management and disposal of household and industrial or commercial non-hazardous solid wastes. Minimum nationwide standards have been developed under Subtitle D that includes specific requirements for the proper design and operation of MSW landfills and other solid waste disposal facilities. These requirements include location restrictions, facility design (liner, leachate collection, run-off controls, etc.) and operating criteria, groundwater and landfill gas monitoring requirements, corrective action requirements, financial assurance requirements, and closure and post-closure care requirements. Most states (including Alabama) have adopted these criteria into their state solid waste management programs. In addition to the minimum federal criteria, states may also impose requirements that are more stringent than the federal requirements. This Plan is in compliance with RCRA, 42 U.S.C. § 6941.

The Town of Pike Road municipality offers residential solid waste collection for households in their jurisdiction via Advanced Disposal. In addition, the Montgomery County Commission provides household solid waste collection services in the unincorporated parts of the county through a contract with Advanced Disposal. All municipal solid waste collected is disposed of in an MSW landfill that has been designed in accordance with Subtitle D regulations.

October 9, 2015

Mayor Gordon Stone
Town of Pike Road

RE: Solid Waste Management Plan
Montgomery County, Alabama

Mayor Stone:

Goodwyn, Mills, and Cawood, Inc. (GMC) has been retained by the Montgomery County Commission to update the Solid Waste Management Plan (SWMP) for the county as required by the Alabama Department of Environmental Management. The plan must provide for the collection, disposal and recycling of all waste in the municipalities and rural areas within Montgomery County for the next 10 years.

As a part of the plan, the county is required to obtain approval and/or comments from each municipality included in the plan. Attached is the final draft of the SWMP for Montgomery County. Please review the plan and send any comments you may have back to GMC at Cole.robertson@gmcnetwork.com.

If you choose not to participate in the county's plan, you will be required by ADEM to complete your own plan. Please let us know in writing if you would like to opt out of the proposed Montgomery County SWMP.

If GMC does not receive the signed approval letter or an Opt out letter by November 1, 2015, it will be assumed that the Town of Pike Road approves of the SWMP for Montgomery County.

Upon your approval of the SWMP, please sign in the space provided below and return to the email address listed above or to my attention at 2660 EastChase Lane, Montgomery, Alabama 36117.

Please feel free to give me a call if you have any questions at (334) 271-3200.

Respectfully,

Justin Barrett, P.E., CFM

Mayor Stone

SOLID WASTE MANAGEMENT PLAN

CITY OF MONTGOMERY

Submitted on behalf of :
City of Montgomery, Alabama

Submitted by:
CDG Engineers and Associates

WHEREAS, the City of Montgomery desires to make changes to said Plan pursuant to ADEM requests; and

WHEREAS, the City of Montgomery has conducted a public hearing for the purpose of receiving comments from the public concerning the City of Montgomery Solid Waste Management Plan which includes proposed changes; and

WHEREAS, the City of Montgomery has considered all comments received from the public and incorporated such comments into the Solid Waste Management Plan:

NOW, THEREFORE, BE IT RESOLVED BY THE COUNCIL OF THE CITY OF MONTGOMERY, ALABAMA, as follows:

1. The City of Montgomery Solid Waste Plan (attached) be hereby adopted;
2. That copies of the Solid Waste Management Plan be submitted to the Alabama Department of Environmental Management as required by the Code of Alabama, Section 22-27-47;
3. That the Mayor be authorized to act on behalf of the City of Montgomery as necessary to coordinate and to implement said Plan.
4. That Resolution No. 145-2007 be and is hereby repealed.

STATE OF ALABAMA)
COUNTY OF MONTGOMERY)
CITY OF MONTGOMERY)

I, Brenda Gale Blalock, City Clerk of the City of Montgomery, Alabama, DO HEREBY CERTIFY that the foregoing is a true and correct copy of a resolution which was duly adopted by the Council of the City of Montgomery, Alabama, at its regular meeting held the 6th day of September, 2011.

GIVEN under my hand and the official SEAL of the City of Montgomery, Alabama, this the 8th day of September, 2011.

BRENDA GALE BLALOCK, CITY CLERK

6.0 Current and Planned Recycling Programs

6.1 Current Recycling Programs

The City of Montgomery operates a community recycling program under its "Clean City Commission" program where residents are offered an opportunity to bring aluminum, paper, and cardboard recyclables to specified collection centers and "drop-off" containers throughout the City. Collection Center events are held on the 1st and 3rd Saturday of each month from 9:00 a.m. - 3:30 p.m. Drop-off and Collection Center locations are indicated in Figure 6.1 and as provided in Table 6.1 below.

The recycle program is operated by the Sanitation Department and recyclables collected are delivered to the McInnis School for the Handicapped for sorting. During 2009 a total of 2,022 tons of recyclable materials were recycled through the program. The recycled materials represent approximately 1.15% of the total residential MSW generated in the jurisdiction. The City of Montgomery receives no revenues from the program and spent, according to estimates from the Sanitation Department, approximately \$995,158 during 2009. The recycling program costs approximately \$492.17 per ton of recycled materials.

The City of Montgomery also provides several other recycling services including:

- Battery Drop-off locations
- Wireless Phone Recycling: Used phones can be mailed in to be recycled. Residence can print off a prepaid mailing label at the following website: www.recellular.com/kab
- Phone Book Collection
- Christmas Trees
- Used Oil

TABLE 6.1

Bellingrath Jr. High	3488 South Court Street
Southlawn Elementary	5333 Mobile Highway

Figure 6.1.1 Recycling Centers in Montgomery

6.2 Planned Recycling Programs

In the United States, recycling of recoverable materials from the waste stream has increased from 6.4% in 1960 to 33.2% in 2008 calculated on the percent of total generation. The EPA has estimated that the per capita rate for recycling is 1.5 pounds per day for the United States. Table 6.2 indicates national 2008 data for generation vs. recovery of materials found in municipal solid waste.

TABLE 6.2
GENERATION and RECOVERY of PRODUCTS in MSW (million tons)

Products	Weight Generated	Weight Recovered	Recovery as % of Generation
Durable goods			
Steel	13.13	3.68	28.0%
Aluminum	1.31	Negligible	Negligible
Other non-ferrous metals†	1.76	1.21	68.8%
Glass	2.10	Negligible	Negligible
Plastics	10.52	0.39	3.7%
Rubber and leather	6.34	1.06	16.7%
Wood	5.68	Negligible	Negligible
Textiles	3.35	0.44	13.1%
Other materials	1.48	1.15	76.2%
Total durable goods	45.67	7.93	17.4%
Nondurable goods			
Paper and paperboard	39.12	17.86	45.7%

At present, the City plans to maintain its current recycling programs and to encourage recycling participation through an advertising program designed to increase public participation in the program as a means to further enhance the recovery of durable goods from the City's waste stream.

6.3 Alternative Waste Processing Technologies

The City of Montgomery recognizes that within the life of the SWMP emerging uses of waste, waste reduction, and disposal technologies may impact the management of solid waste systems within the jurisdiction of the SWMP. These technologies provide an alternative method of managing solid waste destined for disposal through:

1. Source Separation
2. Source reduction
3. Renewable energy uses

Where applicable, the City of Montgomery will evaluate the need for expansion of service area to include the state of Alabama and increase permitted daily volume acceptance of the North Montgomery Landfill, where doing so will encourage the implementation of the alternative waste processing technologies or other uses of wastes in the manufacturing process.

6.3.1 Materials Recovery Facility (MRF)

The City of Montgomery may utilize a Materials Recovery Facility as an approach to increase recycling participation and material recovery rates from various waste streams including municipal solid waste, construction/demolition debris, and yard trimmings.

Contemporary MRFs generally accept recyclable materials in one of three basic forms;

- 1) Un-sorted Residential MSW
- 2) Commingled
- 3) Source Separated

MRFs further separate recyclable materials by sorting and classification through the use of automated systems and conveyor line "manual picking". MRF's typically sort/classify recyclables into five waste profiles;

- Paper products
- Plastics
- Ferrous and Non-ferrous Metals
- Glass
- Organic wastes

Following this sorting process, the recyclable portions of the waste are baled, stored, and/or transported or further processed for end-market uses.

Commodity Prices

	44.39%	44,390	\$3,978,000	\$3,628,100	\$3,130,400
			109.64%	100.00%	86.28%

Note: The Commodity % represents the percentage of various types of commodities received during the year September 1 - August 31, 2015. The other columns are the amount of revenue the commodities would have received based on the commodity prices during various time frames.

THE 2016 STATE OF CURBSIDE REPORT

PREPARED BY THE RECYCLING PARTNERSHIP ©2016

APPENDIX A:

EXECUTIVE SUMMARY

The 2016 State of Curbside Report is a snapshot of the performance of curbside recycling programs in a number of key communities across the U.S. **Over 400 cities were profiled** to understand key recycling program attributes and to evaluate their performance in recovering household recyclables at the curb. This type of performance **data is critical to build a national understanding of the recycling landscape**, to create key learnings of why some programs perform better than others, and to create a future **roadmap of strategic changes** needed to help the system to reach its full potential in supporting the transition to a circular economy and a holistic sustainable materials management approach.

Data collected about these geographically diverse programs included frequency of collection, container type, municipal solid waste tip fees, material mix, collection approach, and program ownership for the purposes of **understanding program performance**. The Partnership then used a pounds per household per year metric to consistently place all programs on a uniform footing for measuring their curbside recovery.

Several key conclusions regarding data and program performance are presented in this report, which include:

- **Waste audits have shown that single-family homes generate between 800 and 1,000 pounds of recyclable packaging per year.** The simple average from this research showed a recovery of **357 pounds per household per year**, suggesting an average recovery of 35-45% of possible recyclables in the home for the profiled cities. **The opportunity to recover more is clear.**
- **There is no single program feature that drives program performance, but rather it is a combination of factors that build off one another.** However, some key indicators of successful programs emerged, with almost all top-performing programs sharing the following four characteristics:

CART-BASED
COLLECTIONAUTOMATIC
SERVICE FOR ALL
RESIDENTSSINGLE-STREAM
COLLECTIONCOMMUNITY ACTIONS
THAT RAISED THE
PRIORITY OF RECYCLING

- **More optimization is possible to help underperforming communities build off the success of stronger programs.** For example, hub-and-spoke models will grow in importance in moving forward to manage costs while increasing collection.

Growing the recovery of packaging will take a strategic systems approach of **expanding best practices through partnership**. To accelerate this process, communities will continue to need dedicated technical support and resources from the NGO community, state offices, and other groups and teams to make step changes and drive program improvements. Through better data, the **roadmap to grow packaging recovery rates** across the country can be created. **Simply put, what gets measured, gets managed.**

Published December, 2016.

The conclusions and views expressed in this document do not necessarily reflect the views of our funding partners. To learn more, please contact us at info@recyclingpartnership.org.

About The Recycling Partnership

The Recycling Partnership (recyclingpartnership.org) is a national nonprofit transforming recycling in towns all across America. At The Recycling Partnership, we believe that recycling is fundamental to a healthy environment and economy. Every day, we work hand-in-hand with communities and companies, continuously innovating to improve recycling systems. Because when we do, jobs are created, our environment is protected, and communities thrive.

Since 2003, we have been delivering solutions for measurable change through collaboration, assistance, and data. This important work is made possible through grants and support from these funders:

Millennium

Convenient For Cart Users

- Short cart body is convenient to load, increases visibility over top of cart, and is easy to control
- Cart footprint engineered for stability; resists tipping and does not blow over—even in 40 mph winds
- Contoured lid reduces warp and water entrapment
- Lift lip across front and around front corners increases opening convenience
- Durable “double-pinned” lid attachment
- Integrally molded details reinforce lift points and stress areas to accommodate heavy loads

Features

- Molded recess at bottom allows foot to be placed directly on axle providing leverage for maneuvering heavy loads
- Available with bib or no bib (Euro) option
- Available with metal, plastic, or no lift bar option

Wheel Options

Wheels: 10" wheels are standard. Popular wheel options are shown here. Other options are available upon request.

Wheel options may change without notice.

Customize Your Cart

- Provide instructions to users with in-mold labeling
- Brand your cart with hot stamps on sides, front, or lid. ColorFUSE technology available on sides and lid
- Sequential serial numbers
- RFID tag or barcode
- Lid options include circular opening to assist recycling efforts

Cart Specifications

MODEL	HEIGHT	WIDTH	DEPTH	LOAD RATING*
95 GAL. M	41 3/5"	29 9/10"	34 3/10"	340 LBS.

Cart specifications vary slightly based on product mold. *A.N.S.I. maximum load rating is 3.5 lbs. per gallon.

AGREEMENT-INDUSTRIAL ACCESS

This Agreement is made and entered into by and between the STATE OF ALABAMA, acting by and through the ALABAMA DEPARTMENT OF TRANSPORTATION, party of the first part (hereinafter called the STATE), and MONTGOMERY COUNTY, ALABAMA (FEIN 63-6001653), party of the second part (hereinafter called the COUNTY):

WITNESSETH

WHEREAS, the STATE and COUNTY desire to cooperate in the construction of a new side road in Montgomery Industrial Park off of Industrial Park Boulevard located between Old Dominion and the south edge of the new Gerhardt site to benefit Gerhardt. Length – 0.142 miles. Project #IAR-051-000-012, MCP 51-81-17, CPMS Reference #100066457.

NOW THEREFORE, it is mutually agreed between the STATE and COUNTY as follows;

This Agreement may be terminated by the STATE at any time the State Transportation Director determines that the owner of the proposed facilities will not locate or expand facilities as previously represented. Such termination will occur upon notice of termination from the Transportation Director to the other party or parties to this agreement by registered or certified mail, or by other actual notice by the Director to such party or parties. Upon termination, settlement will be made and paid only for such expenditures made prior to termination and which are found to be equitable and just by the Transportation Director.

A. The COUNTY will furnish all Right-of-Way for project without cost to the STATE.

B. The COUNTY will adjust and/or relocate all Utilities on the project without cost to the STATE.

C. The COUNTY will make the survey, complete the plans and furnish all preliminary engineering for the project with County forces without cost to the STATE. Completed original plans shall be furnished to the Department of Transportation in accordance with the Guidelines for Operations for *Procedures for Processing State and Industrial Access Funded County and City Projects* dated February 14, 2001, and attached hereto as a part of this Agreement prior to the County letting the contract.

D. The COUNTY will secure all permits and license of every nature and description applicable to the project or to the construction of the project in any manner, and will conform to and comply with the requirements of any such permit or license, and with each and every requirement of any and all agencies, and of any and all lawful authorities having jurisdiction or requirements applicable to the project or to the project construction.

E. The COUNTY will furnish all construction engineering for the project from County forces or with a consultant selected by the STATE or with STATE forces not to exceed 15%, without prior approval by the State, as a part of the cost of the project.

F. The STATE will furnish the necessary inspection and testing of materials when needed as part of the cost of the project.

G. If necessary, the COUNTY will file an Alabama Department of Environmental Management (ADEM) National Pollutant Discharge Elimination System (NPDES) Notice of Registration (NOR) (Code Chapter 335-6-12) for this project without cost to the STATE or this project. The COUNTY will be the permittee of record with ADEM for the permit. The contractor shall be a co-permittee with the COUNTY for the permit, and shall comply with all requirements of the permit. The COUNTY and the contractor will be responsible for compliance with the permit and the STATE will have no obligation regarding the permit. The County will furnish the STATE (Region) a copy of the permit prior to any work being performed by the contractor.

H. The Alabama Department of Transportation will have general supervision of the project by making periodic inspections and final acceptance of project work, and the cost therefore will be deemed a part of the project cost.

I. The COUNTY will immediately cause all work on the project to cease upon notification by the STATE that the project work is not being accomplished in accordance with the plans and/or this Agreement.

J. The STATE will not be liable for State funds in excess of the State's share of the cost hereinafter set forth. Any deficiency in State funds, or overrun in construction costs will be borne by the COUNTY from County funds. In the event of an underrun in construction costs, the State funds will not exceed the actual cost.

K. The estimated cost of this project shall be provided for from funds outlined below:

Corporation Industrial Access Funds	\$ 521,100.00
County Funds	0.00
Total Cost (Incl. E & I)	\$ 521,100.00

L. The COUNTY will perform or have performed all work under this Agreement in accordance with the Laws of the State of Alabama and the Guidelines for Operation for *Procedures for Processing State and Industrial Access Funded County and City Projects*, dated February 14, 2001.

M. An audit report must be filed with the Department of Examiners of Public Accounts, upon receipt by the County, for any audit performed on this project in accordance with Act No. 94-414.

N. The COUNTY will comply with the Alabama Department of Transportation Standard Specifications for Highway Construction, Latest Edition, on this project and will ensure that alignment and grades on this project meet the standards of the Alabama Department of Transportation and the project will be built in accordance with the approved plans.

O. Invoices of the COUNTY for cost of work performed will be forwarded to the STATE as work progresses, but not more often than monthly, and the COUNTY will be paid for the work performed up to the amount of State funds shown in this Agreement. All invoices for work performed under the terms of this Agreement will be submitted within six (6) months after the completion and acceptance of the project. Any invoices submitted after this six (6) month period will not be eligible for payment.

P. The COUNTY shall be responsible at all times for all of the work performed under this agreement and, as provided in Ala. Code § 11-93-2 (1975), the COUNTY shall indemnify and hold harmless the State of Alabama, The Alabama Department of Transportation, its officers, officials, agents, servants, and employees.

For all claims not subject to Ala. Code § 11-93-2 (1975), the COUNTY shall indemnify and hold harmless the State of Alabama, the Alabama Department of Transportation, its officers, officials, agents, servants, and employees from and against any and all damages, claims, loss, liabilities, attorney's fees or expense whatsoever or any amount paid in compromise thereof arising out of, connected with, or related to the (1) work performed under this Agreement, (2) the provision of any services or expenditure of funds required, authorized, or undertaken by the COUNTY pursuant to the terms of this agreement, or (3) misuse, misappropriation, misapplication, or misexpenditure of any source of funding, compensation or reimbursement by the COUNTY, its officers, officials, agents, servants, and employees.

Q. The COUNTY will be obligated for the payment of damages occasioned to private property, public utilities or the general public, caused by the legal liability (in accordance with Alabama and/or Federal law) of the COUNTY, its agents, servants, employees or facilities.

R. By entering into this agreement, the COUNTY is not an agent of the STATE, its officers, employees, agents or assigns. The COUNTY is an independent entity from the STATE and nothing in this agreement creates an agency relationship between the parties.

S. By signing this contract, the contracting parties affirm, for the duration of the agreement, that they will not violate federal immigration law or knowingly employ, hire for employment, or continue to employ an unauthorized alien within the State of Alabama. Furthermore, a contracting party found to be in violation of this provision shall be deemed in breach of the agreement and shall be responsible for all damages resulting therefrom.

T. Exhibit N is attached hereto as a part hereof.

U. Upon completion and acceptance of this project, the COUNTY will maintain the project in satisfactory condition in accordance with the requirements of the Alabama Department of Transportation.

V. This agreement may be terminated by either party upon the delivery of a thirty (30) day notice of termination.

IN WITNESS WHEREOF, the parties hereto have caused this agreement to be executed by those officers, officials and persons thereunto duly authorized, and the agreement is deemed to be dated and to be effective on the date stated hereinafter as the date of the approval of the Governor of Alabama.

RESOLUTION NUMBER _____

BE IT RESOLVED, by the County Commission of Montgomery County, Alabama, that the County enter into an agreement with the State of Alabama; acting by and through the Alabama Department of Transportation for:

The construction of a new side road in Montgomery Industrial Park off of Industrial Park Boulevard located between Old Dominion and the south edge of the new Gerhardi site to benefit Gerhardi. Length – 0.142 miles. Project #IAR-051-000-012, MCP 51-81-17, CPMS Reference #100066457;

which agreement is before this Commission, and that the agreement be executed in the name of the County, by the Chairman of the Commission for and on its behalf and that it be attested by the County Clerk and the seal of the County affixed thereto.

BE IT FURTHER RESOLVED, that upon the completion of the execution of the agreement by all parties, that a copy of such agreement be kept of record by the County Clerk.

Passed, adopted, and approved this _____ day of _____,

20_____.

ATTESTED:

County Clerk

Chairman, County Commission

I, the undersigned qualified and acting clerk of Montgomery County, Alabama, do hereby certify that the above and foregoing is a true copy of a resolution lawfully passed and adopted by the County Commission of the County named therein, at a regular meeting of such Commission held on the

_____ day of _____, 20_____, and that such resolution is of record in the Minute Book of the County.

IN WITNESS WHEREOF, I have hereunto set my hand and affixed the official seal of the County on this

_____ day of _____, 20_____.

County Clerk

SEAL

**STATE OF ALABAMA
DEPARTMENT OF TRANSPORTATION
GUIDELINES FOR OPERATION**

**SUBJECT: PROCEDURES FOR PROCESSING STATE AND INDUSTRIAL
ACCESS FUNDED COUNTY AND CITY PROJECTS**

No work can be performed and no contracts can be let prior to having a fully executed project agreement, submittal of project plans to Division and notification from the Division that advertisement for bids can be made, or, in the case of negotiated projects, work can begin.

A project agreement will be prepared and furnished to the County/City upon receipt of grant award letter signed by the Director or Governor. The Division will prepare and submit a F-7A Budget Allotment request upon receipt of a project funding agreement at the time it is submitted to the County/City for their execution.

The County/City will submit plans prepared and signed by a registered professional engineer showing work to be performed. Plans must match the project agreement description. It is not necessary for the Division to perform an in-depth review of plans. The County/City will submit a certification signed by a Registered Professional Engineer stating that the plans have been prepared so that all items included in the plans meet ALDOT specifications. The County/City will include a letter certifying that the County/City owns all right-of-way on which the project is to be constructed.

Upon receipt of the executed agreement, the executed F-7A, final plans from the County/City, and right-of-way certification, the Division may notify the County/City to proceed with advertising the project for letting or proceed with work in the case of a negotiated project.

For negotiated projects, the Division will prepare a cost estimate following normal estimating procedures; then reduce each computer generated unit cost by 10%. This will be the amount used by the County/City on their estimate for reimbursement. In the case where a County/City is using an in-place annual bid, the County will furnish the Division a copy of their bid and this bid price will be used for reimbursement.

Where the County/City is letting a contract locally, the County/City will furnish to the Division the three lowest bids with their recommendation for award. The Division will review the bids, and, if in order, advise the County/City to proceed with award of the contract to the lowest responsible bidder. The County's/City's estimate for reimbursement will be based on the bid prices concurred in by the State and supported with documentation that the contractor has been paid for work performed (copy of cancelled check).

A certification will be submitted with County/City final estimate stating that the project was constructed in accordance with final plans submitted to the State and with the specifications, supplemental specifications, and special provisions which were shown on the plans or with the State's latest specifications which were applicable at the time of plan approval.

The County/City will notify the Division when the project is complete and the Division will perform a final ride-through to determine whether the project was completed in substantial compliance with the original final plans. Final acceptance will be made by the Division with a copy of the letter furnished to the Bureau of County Transportation.

All required test reports, weight tickets, materials receipts, and other project documentation required by the specifications, applicable supplemental specifications, and special provisions will be retained by the County/City for a period of three (3) years following receipt of final payment and made available for audit by the State upon request. If an audit is performed and proper documentation is not available to verify quantities and compliance with specifications, the County/City will refund the project cost to the State or do whatever is necessary to correct the project at their cost.

All County/City Industrial Access or State funded projects let to contract by the State will follow normal project procedures and comply with all current plan processing requirements.

EXHIBIT N

FUNDS SHALL NOT BE CONSTITUTED AS A DEBT

It is agreed that the terms and commitments contained herein shall not be constituted as a debt of the State of Alabama in violation of Article 11, Section 213 of the Constitution of Alabama, 1901, as amended by Amendment Number 26. It is further agreed that if any provision of this AGREEMENT shall contravene any statute or Constitutional provision of amendment, either now in effect or which may, during the course of this AGREEMENT, be enacted, then the conflicting provision in the AGREEMENT shall be deemed null and void.

When considering settlement of controversies arising from or related to the work covered by this AGREEMENT, the parties may agree to use appropriate forms of non-binding alternative dispute resolution.

TERMINATION DUE TO INSUFFICIENT FUNDS

- a. If the agreement term is to exceed more than one fiscal year, then said agreement is subject to termination in the event that funds should not be appropriated for the continued payment of the agreement in subsequent fiscal years.
- b. In the event of proration of the fund from which payment under this AGREEMENT is to be made, agreement will be subject to termination.

NO GOVERNMENT OBLIGATION TO THIRD PARTY CONTRACTORS

The STATE and CONSULTANT acknowledge and agree that, notwithstanding any concurrence by the Federal Government in or approval of the solicitation or award of the underlying contract, absent the express written consent by the Federal Government, the Federal Government is not a party to this contract and shall not be subject to any obligations of or liabilities to the STATE, CONSULTANT, or any other party (whether or not a party to that contract) pertaining to any matter resulting from the underlying contract.

The CONSULTANT agrees to include the above clause in each subcontract financed in whole or in part with Federal assistance provided to FHWA. It is further agreed that the clause shall not be modified, except to identify the subcontractor who will be subject to its provisions.

AGENDA

February 7, 2017

MEMORANDUM

TO: Donald L. Mims
County Administrator

FROM: Scott Kramer
Risk Management Director

SUBJECT: Pharmacy Management Services Agreement with Carlisle Medical Inc.

On February 6, 2017, I discussed the referenced subject with the County Commission. After performing a pilot program last year, the realized savings were in excess of \$13,000. As such, it is my recommendation for the County Commission to utilize this company for all of our workers compensation pharmacy management. In addition, as they have a large network of durable medical equipment providers, we would utilize Carlisle for this service as well.

I have attached the pharmacy management services agreement with Carlisle Medical, Inc. This agreement has been reviewed by the County Attorney.

I am requesting the County Commission's approval of this item outlined above.

Cc: Florence Cauthen

PHARMACY MANAGEMENT SERVICES AGREEMENT

AGREEMENT

This Agreement is effective this ____ day of _____, by and between MONTGOMERY COUNTY COMMISSION and CARLISLE MEDICAL INCORPORATED AND CARLISLE & ASSOCIATES [hereinafter "CARLISLE"].

SERVICES

MONTGOMERY COUNTY COMMISSION has agreed to utilize CARLISLE'S Pharmacy Management services to include the following:

- Retail Pharmacy Network
- Mail Order/Home Delivery Pharmacy Program
- Case Management Prescription Review
- Durable Medical Equipment (DME)

A description of these services, along with the fees, are provided in Exhibits A, B, and C.

INVOICING

CARLISLE will submit all pharmacy invoices on the appropriate state form or other forms approved by MONTGOMERY COUNTY COMMISSION.

TERMS

Net-30

RECORDS

CARLISLE agrees to maintain pharmacy records and provide such information to MONTGOMERY COUNTY COMMISSION or its designee as may be necessary to comply with law and this agreement. Said records shall be maintained for a period of 2 years from the date of last entry. This obligation shall survive termination of this Agreement.

INSURANCE

See attachment

DISPUTE RESOLUTION

If a dispute arises out of or relates to this agreement or its breach, the parties shall endeavor to settle the dispute first through direct discussions and negotiations. If the dispute cannot be settled through direct discussions or negotiations, the parties shall endeavor to settle the dispute by non-binding mediation. The location of the mediation shall be Montgomery, Alabama. Either party may terminate the mediation at any time after the session, but the decision to terminate must be delivered in person to the other party and the mediator. Engaging in mediation is a condition precedent to any other form of binding dispute resolution. If the parties cannot agree on a mutual resolution then any disputes not resolved by mediation shall be decided in the Circuit Court of Montgomery County, Alabama and governed by the laws of the State of Alabama between the Montgomery County Commission and Capell & Howard, P.C.

TERMINATION

This Agreement shall be effective as of the date shown and will continue for a period of three (3) years. Thereafter, this Agreement shall automatically renew for an additional period of three (3) years. Either party may terminate the Agreement by written notice to the other at least ninety (90) days prior to the renewal date.

IN WITNESS WHEREOF, the parties have executed this Agreement on the date shown.

MEMORANDUM

February 2, 2017

To: Donnie Mims

From: Thomas T. Gallion, III

Re: Pharmacy Management Services Agreement with Carlisle Medical, Inc.

I have reviewed your memorandum of February 1, 2017, regarding a Pharmacy Management Services Agreement with Carlisle Medical, Inc., regarding a pharmacy benefit manager that specializes in workers compensation prescriptions and durable medical equipment. The County would like to know if the agreement is acceptable.

It is my opinion that the agreement is acceptable as is. The agreement will be binding on all parties if executed.

I am also of the opinion that the services provided for in this agreement are in the best interest of the public health, safety, education, and general welfare of the citizens of Montgomery County. I, therefore, see no reason why the agreement should not be executed if it is the desire of the Montgomery County Commission.

MEMORANDUM

TO: Donald L. Mims
County Administrator

FROM: Scott Kramer
Risk Management Director

SUBJECT: Health Center Share Agreement with Alliance and CareHere

On February 6, 2017, I discussed the referenced subject with the County Commission. I am requesting a pilot program be performed for a six month period on one half-day (Thursdays) per week. The utilization at the existing CareHere clinics has continued at a high rate. This office (owned by Alliance Insurance) is already being utilized for a CareHere client for a partial week. As such, they are well-equipped to handle our employees for primary care and wellness.

I have attached the sharing agreement with Alliance and CareHere. This agreement has been reviewed by the County Attorney.

I am requesting the County Commission's approval of this item outlined above.

Cc: Florence Cauthen

**HEALTH CENTER SHARE AGREEMENT
BETWEEN ALLIANCE INSURANCE GROUP, INC.,
CAREHERE, LLC, AND
THE MONTGOMERY COUNTY COMMISSION**

This Health Center Share Agreement (the "Agreement") is entered into by and between **Alliance Insurance Group, LLC** ("Alliance"), **CareHere, LLC** and its subsidiaries and affiliates ("CareHere") and the **Montgomery County Commission** ("Montgomery County"). All may be collectively referred to as "Parties" or individually referred to as a "Party".

WITNESSETH

WHEREAS, Montgomery County has contracted with CareHere to operate and manage health centers to serve its eligible employees, dependents and retirees; and

WHEREAS, Alliance operates a health center location for the benefit of CareHere Clients (the "Alliance Health Center"); and

WHEREAS, Montgomery County desires to join in the use of the Alliance Health Center; and

WHEREAS, Alliance desires for Montgomery County to join in the use of the Alliance Health Center for the benefit of its employees, dependents and retirees, as applicable; and

WHEREAS, the Parties agree that the respective rights, duties, and obligations regarding this Agreement are as specified in this Agreement and in their individual agreements with CareHere, as applicable;

NOW, THEREFORE, for and in consideration of the mutual covenants, obligations, and benefits hereunder, the Parties do hereby agree as follows:

I. PURPOSE

The purpose of this Agreement is to delineate the terms surrounding the sharing of the Alliance Health Center.

II. STATEMENT OF RESPONSIBILITIES:

ALLIANCE RESPONSIBILITIES

- A.** Alliance shall be responsible to the maintenance and upkeep of the health center locations.
- B.** Alliance agrees to notify all other entities sharing in the Alliance Health Center whenever a new entity joins, including Montgomery.

- C. Alliance agrees to provide CareHere with a copy of this executed Agreement and any modification of this agreement within 30 days of such execution or modification.

MONTGOMERY COUNTY RESPONSIBILITIES

- A. Montgomery County shall track and supply eligibility data, for its employees, dependents, and retirees eligible to access the health centers. Such eligibility data shall be provided to CareHere on a monthly basis in a format mutually agreed to by CareHere.
- B. Any payments provided for in this Agreement will be made in a timely manner consistent with payments terms contained in the agreement between Montgomery County and CareHere and this Agreement
- C. Montgomery County may coordinate times where by CareHere may make employee presentations explaining onsite clinic services, benefits, and use.
- D. Montgomery County shall allow either Alliance, CareHere or both to submit marketing materials regarding the Alliance Health Center to those eligible to access it. Such marketing materials shall be in a form and manner mutually agreed to by Montgomery County and CareHere and Alliance.
- E. Montgomery County agrees to provide CareHere with a copy of this executed agreement and any modification of this agreement within 30 days of such execution or modification.

III. COSTS

- A. Payment to CareHere for services will be made pursuant to the Montgomery County agreement with CareHere. All pass through cost for labs and dispensed medications will be based on the utilization of the clinic services by the participating public agencies.
- B. Montgomery County shall also be responsible for payment of forty three dollars (\$43.00) per visit invoiced by CareHere. Such fee shall be invoiced by and payable to CareHere.

IV. MANAGEMENT OF SERVICES:

Medical services provided to Montgomery County shall be pursuant to the Agreement between Montgomery County and CareHere.

V. TERM OF AGREEMENT:

The term of this Agreement shall be for a term of six (6) months commencing on the actual opening date of the health center locations to commence delivery of care to patients. This Agreement may be renewed by mutual agreement of the parties. Unless either Montgomery County, Alliance or CareHere gives written notice of nonrenewal to the other party at least ninety (90) calendar days prior to the end of the initial term or of any renewal term, this Agreement shall be automatically renewed for additional periods of one year each.

VI. LIABILITY; NO WAIVER OF IMMUNITY

To the extent authorized by the laws of the State of Alabama, the Parties agree that each shall be responsible for its own actions and those of its members pursuant to and within the scope of this Agreement or amendment thereto. It is expressly understood and agreed by the Parties that neither shall be held liable for the actions of the other Party or any of the other Party's members while in any manner furnishing services hereunder. Each party to this Agreement expressly waives all claims against the other party for compensation for any loss, damage, personal injury, or death occurring as a consequence of the performance of this Agreement, not due to the negligence, fraud, or illegal conduct of the other party.

VII. MUTUAL AGREEMENTS

A. Entire Agreement. This agreement sets forth the entire agreement between the parties with respect to the subject matter hereof, and all prior discussions, representations, proposals, offers, and oral or written communications of any nature are entirely superseded hereby and extinguished by the execution of this Agreement. No modification of, or waiver of, any right under this Agreement will be effective unless it is evidenced in writing executed by an authorized representative of each party to this Agreement.

B. Relationship to other Agreements. This agreement enhances emergency management planning between the parties, and does not supersede or negate any other agreements heretofore entered into between the parties.

C. Severability. The phrases, clauses, sentences, paragraphs or sections of this Agreement are severable and, if any phrase, clause, sentence, paragraph, or section of this Agreement should be declared invalid by the final decree or judgment of any court of competent jurisdiction, such invalidity shall not affect any of the remaining phrases, clauses, sentences, paragraphs and sections of this Agreement.

D. State Law and Venue Determination. This Agreement shall be subject to and governed under laws of the State of Alabama. All Local, State and Federal laws shall supersede any provisions made in this Agreement. Any provision so effected will not negate the rest of the Agreement. The parties agree that venue for the purposes of any and all lawsuits, causes of action, arbitrations, or other disputes arising this Agreement shall be in Montgomery County, Alabama.

E. Dispute Resolution. If a dispute arises out of or relates to this agreement or its breach, the parties shall endeavor to settle the dispute first through direct discussions and negotiations. If the dispute cannot be settled through direct discussions or negotiations, the parties shall endeavor to settle the dispute by non-binding mediation. The location of the mediation shall be Montgomery, Alabama. Either party may terminate the mediation at any time after the session, but the decision to terminate must be delivered in person to the other party and the mediator. Engaging in mediation is a condition precedent to any other form of binding dispute resolution. If the parties cannot agree on a mutual resolution then any

disputes not resolved by mediation shall be decided in the Circuit Court of Montgomery County, Alabama and governed by the laws of the State of Alabama between the Montgomery County Commission and Capell & Howard, P.C.

F. Paragraph headings. The captions, numbering sequences, titles, paragraph headings, punctuations, and organization used in this Agreement are for convenience only and shall in no way define, limit or describe the scope or intent of this Agreement or any part of it.

G. Understanding, Fair Construction. By execution of this Agreement, the parties acknowledge that they have read and understand each provision, term, and obligation contained in this Agreement. This Agreement, although drawn by one party, shall be construed fairly and reasonably and not more strictly against the drafting party than the non-drafting party.

H. Notice. Any notice required to be given hereunder shall be in writing and delivered to the addresses and titles set forth below by certified mail (return receipt requested), a recorded delivery service, or by other means of delivery requiring a signed receipt. All notices shall be effective upon receipt. The addresses provided herein may be changed at any time on prior written notice.

If to Alliance:

If to Montgomery County:

If to CareHere:

Ben Baker, COO
5141 Virginia Way, Suite 350
Brentwood, TN 27027

I. Assignment. Neither party may assign this Agreement without the prior written consent of the other party.

(Signatures on following page)

IN WITNESS WHEREOF, this Agreement has been signed on behalf of the Parties on the date indicated.

MEMORANDUM

TO: Montgomery County Commission

FROM: Donald L. Mims *DLM*
County Administrator

SUBJECT: Memorandum of Agreement with City of Montgomery for ADA Compliance Coordinator Services

The majority of the Montgomery County Commissioners, at the meeting on February 6, 2017, agreed to place on the next agenda a Memorandum of Agreement (MOA) with the City of Montgomery regarding ADA Compliance Coordinator Services.

I am requesting approval of this item.

DLM/tn

Attachment

Memorandum of Agreement (MOA)

Between

City of Montgomery, Alabama

And

Montgomery County Commission, Alabama

This MEMORANDUM OF AGREEMENT ("Agreement") is entered into this day ____ of February 2017, between the City of Montgomery ("City") and the Montgomery County Commission ("Commission") collectively referred to as Parties.

WHEREAS, over the last several years, the City and County jointly worked to identify areas in government to share cost and increase efficiency and effectiveness in delivery of government services, and

WHEREAS, the City and County established, and the Montgomery City/County Personnel Board approved the position of Chief Information and Technology Officer as a joint function of the Parties in order to achieve greater operational and capital efficiencies, and

WHEREAS, the City and County established, and the Montgomery City/County Personnel Board approved the position of Director of Risk Management as a joint function of the Parties in order to achieve greater operational and capital efficiencies, and

WHEREAS, as a result of these efforts, the Parties lowered their overall cost for information technology, telecommunication, radio operations, and risk management, and

WHEREAS, local governments must ensure all people with disabilities can participate and benefit from their programs and services including physical access to its facilities and events, and

WHEREAS, the Parties have identified another area to create such efficiency through a contractual agreement for a City/County ADA Compliance Coordinator, and

WHEREAS, the ADA Compliance Coordinator's primary responsibility is to ensure that programs and services of the City and County are accessible to persons with disabilities in compliance with Title II of the Americans with Disabilities Act (ADA), and

WHEREAS, Mr. Maze Marshall is a graduate of the Southeast ADA Center of Training for ADA Compliance and is a member of the Montgomery Center for Independent Living and the State Council for Independent Living, and is qualified to perform the ADA services required under Title II.

NOW THEREFORE, the Parties agree to the following:

1. **Agreement Term.** The term of this Agreement shall be for six months commencing at the date of execution by the authorized representatives from both governing entities and may be extended in six-month or longer increments as authorized by the City and County through an amendment to this Agreement.

2. **Duties of the ADA Compliance Coordinator.** Except as otherwise provided in this Agreement, the ADA Compliance Coordinator shall report to the General Services Director of the City of Montgomery and to the Montgomery County Administrator. The ADA Compliance Coordinator shall provide consulting services regarding compliance with Title II of the Americans with Disabilities Act (ADA), which includes the evaluation of City and County infrastructure and facilities.

3. **Compensation and Financial Obligation regarding the Contract for the City/County ADA Compliance Coordinator.** The Coordinator shall be compensated at \$15,000 for a six-month period. The County shall pay the City \$6,000 (40% of the \$15,000) after completion of the six-month service contract, within 30 days after receipt of an invoice from the City.

4. **Termination.** This Agreement may be terminated by the City or the County upon giving written notice to the other party within three months of the execution of the Agreement or subsequent amendments.

5. **Previous Agreements.** This Agreement is the entire Agreement and supersedes all prior collateral communications and agreements of the Parties relating to the subject matter. This Agreement may be amended only by written modification duly executed by each party's authorized representatives.

WHEREFORE, the Parties have executed this Agreement as of the date of the signatures.

Todd Strange, Mayor
City of Montgomery

Elton N. Dean, Sr., Chairman
Montgomery County Commission

Re: Temporary Agreement for overflow detention beds in Dallas County

Attached you will find a signed temporary agreement to house female juvenile detainees in the case that our population exceeds our capacity to hold. As of today we are currently housing 47 juveniles in a 52 bed facility. Several weeks ago our numbers reached 51. This agreement is intended for emergency use only. Please place on the next working agenda. Thank you.

STATE OF ALABAMA
COUNTY OF DALLAS

TEMPORARY AGREEMENT

WHEREAS, the Dallas County Commission has constructed and operates in Dallas County the Dallas County Juvenile Detention Facility for the secure detention care of alleged and adjudicated delinquent youth;

WHEREAS, Montgomery County (hereinafter "contracting county"), a corporate and political body, desires to afford itself of the services furnished by the Dallas County Juvenile Detention Facility;

NOW THEREFORE, witness this agreement by and between Dallas County, a corporate and political body, acting through its duly authorized officers, for and in consideration of the mutual covenants herein contained, the sufficiency whereof being hereby acknowledges:

1. The Dallas County Juvenile Detention Center will enter into agreement for 3 beds to house female detainees only for a temporary period. The charge per day will be \$75.00 per day.
2. Dallas County shall not be responsible for any doctor bills, hospital bills, medical bills/damages due to detainee fault or other bills for the health and welfare of the juveniles housed in the Detention Facility and Contracting County covenants and agree to pay all said expenditures, or to reimburse Dallas County for any expenditure it may make in those regards. Contracting County is responsible for the arrangement and transportation of their juvenile for medical care except in emergency situations.
3. Dallas County covenants and agrees to contact the duly authorized representative of Contracting County in the event that any extraordinary circumstances occur in the housing of the juvenile. The duly authorized representative of Contracting County will have authority and privilege to counsel with and visit any juvenile at the Detention Facility; such counseling and visitation is not to interfere with the normal schedules of the Detention Facility. Parents will be allowed and encourage to visit their children, but in compliance with visitation privileges set out governing all juveniles housed at the Detention Facility.
4. In the event a juvenile housed at the Detention Facility shall become disruptive or "beyond control" while detained or in the custody of the Detention Facility, Contracting County will be notified and shall take said juvenile back into its custody as soon as practicable but in no case exceeding 24 hours after notification.

Mentally retarded, mentally ill or seriously emotionally disturbed juveniles requiring special custodial care will not be accepted. The determination of "beyond control" shall be in the sole discretion of Dallas County. Dallas County reserves the right to reject any juvenile, in the sole discretion of Dallas County.

5. Dallas County does not and shall not accept liability for injury to any of the Contracting County juveniles housed at the Detention Facility; Contracting County covenants and agrees to hold harmless and indemnify Dallas County, its officers, agents, servants and employees, from any liability damages, costs and attorney's fees in any action brought by any such Juveniles, his/her parents, custodians or any other person firms or corporations therefore, except intentional wrongful acts of the agents, servants, officers or employees of Dallas County. Contracting County agrees that it shall maintain liability insurance for such injuries and cause Dallas County to be additionally insured pursuant to the terms of such insurance policy.
6. All Juveniles housed at the Detention Facility and forwarded by Contracting County shall be certified to the facility by the Juvenile Court Judge of a Court of proper jurisdiction. Contracting County is to contact the Detention Facility for the availability of space prior to presenting a juvenile for detention.
7. The number of days in detention shall be defined to include the day a juvenile is received but will not include the day a juvenile is released. Contracting County will receive a monthly invoice from Dallas County. Contracting County shall remit payment to Dallas County by or before the 20th of the month the invoice is received.
8. Contracting County will hold Dallas County harmless from any and all medical expenses, both physical and mental, of any nature and kind for its juveniles housed at the Detention Facility and shall agree to have any bills pertaining to any physical or mental treatment sent to Contracting County, and they will assume responsibility for payment to the provider of said services.
9. If any dispute arises between Contracting County and Dallas County, they said Contracting County agrees to have said dispute heard before a court of competent jurisdiction in Dallas County, Alabama and waives the right to file suit or have said dispute resolved in any other county.

IN WITNESS WHEREOF, Dallas County has caused this instrument to be executed on this, the 9th day of January, 2017 by its County Commission and Dallas County has caused this instrument to be executed by the Chairman of its Commission on the 9th day of January, 2017.

MEMORANDUM

TO: Montgomery County Commission

FROM: Donald L. Mims *DLM*
County Administrator

SUBJECT: County Tax Levies for the Year 2017

The Montgomery County Commission, at its meeting on February 6, 2017, agreed to place on the next agenda the County Tax Levies for the Year 2017.

I am requesting approval of these resolutions.

DLM/tn

Attachment

11-1

COUNTY TAX LEVIES FOR THE YEAR 2017

RESOLUTION #1

RESOLVED, that it is hereby ordered by the County Commission of Montgomery County, Alabama, that for the purpose of paying the expenses of Montgomery County for the current tax year, there is hereby levied for the tax year 2017, a tax of fifty cents upon each \$100.00 of taxable property in said County liable or subject to taxation for the year 2017, which began with October, 2016.

RESOLUTION #2

RESOLVED, that it is hereby ordered by this County Commission of Montgomery County, that for the purpose of paying any debt or liability now existing incurred for erection, construction or maintenance of necessary public buildings, bridges, or roads, there is hereby levied a special tax of twenty-five cents upon each \$100.00 of taxable property subject to or liable to taxation in said County for the tax year 2017, which began with October, 2016.

RESOLUTION #3

RESOLVED, that it is hereby ordered by the County Commission of Montgomery County, Alabama, that there be and is hereby levied in the County of Montgomery, Alabama, effective on June 1, 1951, an excise tax of one-cent per gallon upon the sale of gasoline and other motor fuels, as defined in said Act of the Legislature of Alabama, approved May 30, 1951. The proceeds of said tax when collected by this Commission, less the cost of the collection of same, shall be paid monthly to the custodian of County school funds of Montgomery County, to be used for the maintenance and operation of the public school system of said Montgomery County, Alabama.

RESOLUTION #4

RESOLVED, that it is hereby ordered and adjudged by the County Commission of Montgomery County, Alabama, at a Regular Meeting of said Commission held in the Commission Chambers, Montgomery County, Alabama, on this Tuesday, February 21, 2017, that there be and is hereby levied an annual special ad valorem tax to provide funding for the Volunteer Fire Departments who provide services in the unincorporated areas of Montgomery County in the amount of twenty-five cents on each \$100.00 of taxable property in the unincorporated areas of Montgomery County for the fiscal year 2016-2017, in addition to the taxes now authorized. Said tax to be assessed and collected annually for fire and rescue service to be provided within the said unincorporated areas of Montgomery County for said fiscal year, and the Revenue Commissioner of Montgomery County be and is hereby directed to assess the tax herein levied annually as other State ad valorem taxes are assessed and the Revenue Commissioner of said Montgomery County is hereby directed to collect said tax annually as provided and directed by Act No. 93-319 of the Regular Session of the 1993 Legislature of Alabama.

RESOLUTION #5

RESOLVED, that it is hereby ordered and adjudged by the County Commission of Montgomery County, Alabama, at a Regular Meeting of said Commission held in the Commission Chambers, Montgomery County, Alabama, on this Tuesday, February 21, 2017, that there be and is hereby levied an annual special ad valorem tax to provide funding for the Volunteer Fire Departments who provide services in the unincorporated areas of Montgomery County in the amount of twenty-five cents on each \$100.00 of taxable property in the unincorporated areas of Montgomery County for the fiscal year 2016-2017, in addition to the taxes now authorized. Said tax to be assessed and collected annually for fire and rescue service to be provided within the said unincorporated areas of Montgomery County for said fiscal year, and the Revenue Commissioner of Montgomery County be and is hereby directed to assess the tax herein levied annually as other State ad valorem taxes are assessed and the Revenue Commissioner of said Montgomery County is hereby directed to collect said tax annually as provided and directed by Act No. 2001-449 of the Regular Session of the 2001 Legislature of Alabama.

RESOLUTION # 6

There is hereby levied upon all property and subjects of taxation within Montgomery County for the tax year that began October 1, 2016 (for which tax year taxes become due and payable on October 1, 2017), and for each succeeding tax year thereafter as set forth below, the following:

A special countywide tax at the rate of three and one-half (3-1/2) mills on each dollar of the assessed value of taxable property, for a period of twenty (20) consecutive years beginning with the levy of the tax that began October 1, 2005 (for which first tax year taxes become due and payable on October 1, 2006), pursuant to Section 1 of Amendment No. 3 of the said Constitution and the said election held in Montgomery County, Alabama, on November 2, 2004.

RESOLUTION # 7

There is hereby levied upon all property and subjects of taxation within the Montgomery County School District No. 2 (the boundaries of which are coterminous with the corporate limits of the City of Montgomery), for the tax year that began October 1, 2016 (for which tax year taxes become due and payable on October 1, 2017), and for each succeeding tax year thereafter for the remaining period of eight (8) consecutive years a special district school tax at the rate of three and one-half (3-1/2) mills on each dollar of the assessed value of taxable property, beginning with the levy that began October 1, 2005 (for which first tax year taxes become due and payable on October 1, 2006), pursuant to Section 2 of Amendment No. 3 of the said Constitution and the said election held on November 2, 2004.

RESOLUTION #8

There is hereby levied upon all property and subjects of taxation within the Montgomery County School District No. 1 (the boundaries outside the corporate limits of the City of Montgomery excluding the Town of Pike Road) and Montgomery County School District No. 4 (Town of Pike Road) for the tax year that began October 1, 2016 (for which tax year taxes become due and payable on October 1, 2017), a special district school tax at the rate of six and one-half (6-1/2) mills on each dollar of the assessed value of taxable property pursuant to Amendment No. 2 of the said Constitution of the State of Alabama and the said election held on November 7, 2006.

RESOLUTION #9

There is hereby levied upon all property and subjects of taxation within the Montgomery County School District No. 2 (the boundaries inside the corporate limits of the City of Montgomery excluding the areas not receiving all city services) and Montgomery County School District No. 3 (the areas inside the corporate limits of the City of Montgomery not receiving all city services) for the tax year that began October 1, 2016, (for which tax year taxes become due and payable on October 1, 2017) a special district school tax at the rate of three (3) mills on each dollar of the assessed value of taxable property pursuant to Amendment No. 2 of the said Constitution of the State of Alabama and the said election held on November 7, 2006.

AGENDA

FEB 21 2017

February 6, 2017

MEMORANDUM

TO: Montgomery County Commission

FROM: DiDi Henry 
Public Affairs Director

SUBJECT: County Employee Blood Drives-2017

Historically, the Montgomery County Commission has sponsored two employee blood drives annually. I am requesting that the County continue this tradition by sponsoring two blood drives in 2017. The first would be scheduled for March 1, 2017, with the American Red Cross and the other on June 15th with LifeSouth.

I am also requesting that the Commission allow elected officials and department heads, at their discretion, to give employees who donate blood four hours of paid administrative leave. This time off must be scheduled in advance with the department head or supervisor.

I am requesting that this item be placed on the February 21st meeting agenda. Thank you.

MEMORANDUM

TO: Donald L. Mims
County Administrator

FROM: Scott Kramer *SK*
Risk Management Director

SUBJECT: Public Risk Management Association (PRIMA) Membership Dues

I would like to request your approval for payment of PRIMA membership dues. The cost of membership dues for government members is \$385. I have enclosed the membership invoice for the period of January 1, 2017 – December 31, 2017.

This organization has contributed to the success of our Risk Management program in the past, as I have used many of their resources. This year I am continuing to serve on the Board of Directors of this organization.

RE: Invitation to Bid No. 51965-17B-009
SAN Backup Storage Appliance Expansion

Request approval of award on the above referenced Invitation to Bid to the second lowest responsible bidder, Coast to Coast, Inc., in the amount \$15,972.00 based on unit pricing, be placed on a future agenda. The lowest bidder, Graham Magnetics, withdrew its bid due to the inability to provide the ES340-45 capacity license that was listed on the addendum of the invitation to bid. (Copy of spreadsheet attached.)

Coordination of award made with Lou Ialacci, Director of Information Systems, and Larry Kennedy, IT Manager

Attachment

Interoffice Memo

To: Myrtle Singleton

From: Lou Ialacci

Cc: Larry Kennedy, Florence Cauthen

Date: February 15, 2017

RE: Bid No. 51965 – 17B – 009 SAN Backup Equipment

Larry Kennedy and I have reviewed the bid responses for bid number 51965-17B-009 for Storage Area Network (SAN) backup storage appliance expansion equipment and operating system.

We recommend to award this bid to Coast to Coast Computer Products Inc. After reviewing the ITB responses for ITB 51965-17B-009 we recommend that we accept the response from Coast to Coast. Graham Magnetics was the apparent low bidder but they declined to provide the ES30-45 capacity licenses in the ITB Addendum. Coast to Coast was the next lowest bidder at \$15,972.00 and they confirmed that they will provide the complete list of equipment including the capacity licenses for the ES30-45 expansion.

Please process this item so that it can be on the Briefing Memo to be presented to the Commission at their next meeting on February 6, 2017.

I am requesting the Commission approve the award to be added to the formal agenda for their February 21, 2017 meeting.

Thank you for your assistance. If you have any questions please let me know.

JUSTIFICATION:

Margaret Broekhoven retired effective January 31, 2017. She has agreed to come back and temporarily work approximately 24 hours per week to complete some pending projects. Funding for this position will come from her current budgeted salary. Margaret's position is budgeted for a total for \$70,846 to include benefits and taxes. As an RSA retiree, her earnings are limited to \$30,000 for 2017 and she is not benefits eligible. We project needing Margaret's services for a maximum of 6 months for \$16,000.

Carmen Douglas

Department Head

Date 2/1/2017

FINANCIAL IMPACT:

The cost of the part time RSA retiree will be covered in the current budget by the vacated position budgeted amount. A replacement is not anticipated within this time frame but that cost would also be covered if hired before the end of the 6 month period.
